This book is essentially bound as a Wire-O bound journal, with a hardback cover wrapping around the entire book, even the spine. This keeps the book in good shape for a long time, and also provides for optimum usability. The One True God is a unique kind of workbook, intending not just to teach truth but to lead to an encounter with the living God. Beneath that goal the book aims to ground believers in orthodox Christian theology and the actual contents of the Bible. Students are encouraged to thoughtfully draw conclusions from the Scriptures rather than to merely absorb the principles, inferences, and illustrations set before them by the author. For this reason the book does not include such material and instead focuses on digesting the Scriptures directly. Through God's own words and under various systematic headings the book unfolds the nature of God. In this way the reader is set on a firm foundation and will readily perceive the centrality and high authority of biblical doctrine within the Christian life. It is the author's conviction that the study of doctrine is both an intellectual and devotional discipline. Therefore students are guided throughout the study to think through and apply the truths they learn, meditating on the demands of Scripture for their heart and mind. The book puts us squarely in the middle of the material and demands we give searching thought to how we will live before such a God. This workbook is especially suited for the following contexts: (1) doctrinal training for new converts; (2) college and adult group Bible studies; (3) private study; (4) Christian or home school curriculum; (5) Sunday school material; (6) an aid to parents in teaching the Word of God to their children.

A stunning debut; a Departures original publication. The ultimate

survival story; a wild ride—the wildest—down a South American river in the thick of the Amazon Basin; a true and thrilling adventure of a young married couple who survive a plane crash only to later raft hundreds of miles across Peru and Bolivia, ending up in a channel to nowhere, a dead end so flooded there is literally no land to stand on. Their raft—a mere four logs—separates them from the piranha-and-caiman-infested water until they finally realize that there is no way out but to swim. Vintage Original. Holly FitzGerald and her husband, Fitz—married less than two years—set out on a yearlong honeymoon adventure of a lifetime, backpacking around the world. Five months into the trip their plane crash lands in Peru at a penal colony walled in by jungle, and their blissfully romantic journey turns into a terrifying nonstop labyrinth of escape and survival. On a small, soon-ravaged raft that quickly becomes their entire universe through dangerous waters alive with deadly animals and fish, their only choice: to continue on, despite the rush of insects swarming them by day, the sounds of encroaching predators at night. Without food or means of communication, with no one to hear their cries for help or on a search-and-rescue expedition to find them, the author and her husband make their way, fighting to conquer starvation and navigate the brute force of the river, their only hope for survival, in spite of hunger and weakening resolve, to somehow, miraculously hang on and find their way east to a large riverside town, before it is too late. . . .

Follow two abolitionists who fought one of the most shockingly persistent evils of the world: human trafficking and sexual exploitation of slaves. Told in alternating chapters from perspectives spanning more than a century apart, read the riveting 19th century first-hand account of Harriet Jacobs and the modern-day eyewitness account of Timothy Ballard. Harriet Jacobs was an African-American,

born into slavery in North Carolina in 1813. She thwarted the sexual advances of her master for years until she escaped and hid in the attic crawl space of her grandmother's house for seven years before escaping north to freedom. She published an autobiography of her life, *Incidents in the Life of a Slave Girl*, which was one of the first open discussions about sexual abuse endured by slave women. She was an active abolitionist, associated with Frederick Douglass, and, during the Civil War, used her celebrity to raise money for black refugees. After the war, she worked to improve the conditions of newly-freed slaves. As a former Special Agent for the Department of Homeland Security who has seen the horrors and carnage of war, Timothy Ballard founded a modern-day "underground railroad" which has rescued hundreds of children from being fully enslaved, abused, or trafficked in third-world countries. His story includes the rescue and his eventual adoption of two young siblings--Mia and Marky, who were born in Haiti. Section 2 features the lives of five abolitionists, a mix of heroes from past to present, who call us to action and teach us life lessons based on their own experiences: Harriet Tubman--The "Conductor"; Abraham Lincoln--the "Great Emancipator"; Little Mia--the sister who saved her little brother; Guesno Mardy--the Haitian father who lost his son to slave traders; and Harriet Jacobs--a teacher for us all. *Uncovering the Correttis* Cleis Press From bestselling author Ally Carter, the definitive guide to writing a novel for the NaNoRiMo generation, including helpful tips from other YA stars. Rising young comedian Moshe Kasher is lucky to be alive. He started using drugs when he was just 12. At that point, he had already been in psychoanalysis for 8 years. By the time he was 15, he had been in and out of several mental institutions, drifting from therapy to rehab to arrest to...you get the picture. But KASHER IN THE RYE is not an "eye opener" to the horrors of addiction. It's a hilarious memoir about the absurdity of it all. When he was a young boy, Kasher's mother took him on a vacation to the West Coast. Well it was more like an abduction. Only not officially. She stole them away from their father and they moved to Oakland, California. That's where the real fun begins, in the war zone of Oakland Public Schools. He was more than just out of control—his mother walked him around on a leash, which he chewed through and ran away. Those early years read like part Augusten Burroughs, part David Sedaris, with a touch of Jim Carrol...but a lot more Jewish. In fact, Kasher later spends time in a Brooklyn Hasidic community. Then came addiction... Brutally honest and laugh-out-loud funny, Kasher's first literary endeavor finds humor in even the most horrifying situations.
