Everything you need to meet the manual handling legal requirements in under 2 minutes Manual handling is a legal requirement in all workplaces under the Manual Handling Operations Regulations 1992 (MHOR), meaning training is compulsory. This is part of a more general UK law, namely the Health and Safety at Work Act (HASAWA) 1974. This states that organisations must prevent all risks to employee health and safety.

Manual Handling Regulations | Common Questions Answered

Manual handling is defined by current regulations as the transport or support of a load by hand or bodily force. This includes lifting, putting down, pushing, pulling, carrying, manoeuvring or transporting. Employers or employees that seriously breach manual handling regulations potentially face large fines and/or a custodial sentence.
