N. America, Incorporated Auto Repair For Dummies, 2nd Edition (9781119543619) was previously published as Auto Repair For Dummies, 2nd Edition (9780764599026).

While this version features a new Dummies cover and design, the content is the same as the prior release and

should not be considered a new or updated product. The top-selling auto repair guide--400,000 copies sold--now extensively reorganized and updated Forty-eight percent of U.S. households perform at least some automobile maintenance on their own, with women now accounting for one third of this \$34 billion automotive do-it-yourself market. For new or would-be do-it-yourself mechanics, this illustrated how-to guide has long been a must and now it's even

better. A complete reorganization now puts relevant repair and maintenance information directly after each automotive system overview, making it much easier to find hands-on fix-it instructions. Author Deanna Sclar has updated systems and repair information throughout, eliminating discussions of carburetors and adding coverage of hybrid and alternative fuel vehicles. She's also revised schedules for tune-ups and oil changes, included

driving tips that can save on maintenance and repair costs, and added new advice on troubleshooting problems and determining when to call in a professional mechanic. For anyone who wants to save money on car repairs and maintenance, this book is the place to start. Deanna Sclar (Long Beach, CA), an acclaimed auto repair expert and consumer advocate, has contributed to the Los Angeles Times and has been interviewed on the Today show, NBC Nightly News, and

other television programs.

Chilton's Hyundai Elantra, Excel, Scoupe, Sonata 1986-93 Repair Manual

The Hyundai Accent sedan and hatchback are exceptional economy cars that offer attractive looks and outstanding value in a price-sensitive market segment. The Accent is powered by a 1.6-liter double overhead-cam engine that produces 110 horsepower and features variable valve timing. A five-speed manual transmission is standard; a four-speed automatic transmission is optional. The

environmentally friendly Accent has an Ultra-Low Emission Vehicle II rating. Standard safety features include front seatbelt pre-tensioners and six airbags (front, seat-mounted side-impact, and side-curtain) on all models. The Accent is available in several trims: GL, GS or SE on the hatchback and GLS on the four-door sedan. For 2011, the Accent renames its Blue trim the GL trim, the GS receives a new standard 172-watt audio system and the power sunroof has been removed from the SE in an effort to make it more affordable.
