Thousands of years, hundreds of generations, and countless hours of research; men have been trying to figure out the inner workings of the female mind. Now after all this time wishing women came with an instruction manual, it's finally here. Everything man knows about women and how their mind works are contained in these pages. Regrettably, after all this time, men still haven't figured out squat about women. That's why the pages of this book are mostly blank. But fear not, that just means you will have plenty of room in every chapter to write down what you learn about the woman in your life. This book offers multiple uses. 1) This can be given as a gift, providing a subtle hint to a man you know that is not as knowledgeable as he thinks. 2) Women, you can fill in the pages yourself. What better gift to give a man than the customized manual to how your mind works. 3) Men can use their keen observational and problem-solving skills as they expertly write down everything there is to know about how and why the woman in their life thinks and behaves the way they do. Great for men who are just starting to date, in a long-term relationship, engaged, or married. It's never too early or too late to give a man the knowledge and information that has been searched for over thousands of years.
