The creation of apps for Apple's iPhone is now a huge, and global business, with hundreds of thousands of developers, entrepreneurs and companies attracted by the potential rewards. But games, functional apps and promotional apps alike depend on attractive, intuitive design for their appeal, and most fail to find a significant audience. With this book, you'll be able to turn your great app idea into a functioning design that is ready for coding, or apply graphic design skills to this exciting and lucrative marketplace. You will have a clearly visualised concept and a focused sales plan and your app will stand out in an App Store that is worth well over a billion pounds every year.

If you believe some news stories, the latest iPhone update (iOS 7) is radically different and you should beware of updating! They're wrong! This book is for both new users of iPhone and those upgrading to the latest update. I'll walk you through the changes and show you why updating is nothing to be afraid of. The iPhone doesn't come with a handbook / user guide; this though doesn't mean that you have to buy someone else's handbook! iPhone does have a handbook! There are three ways to get it: 1. Download it from the Apple iBookstore (it's free) 2. Get it online by going to [manuals.info.apple.com](http://manuals.info.apple.com) 3. Get it on your phone; if you go to your bookmarked pages on Safari, the last bookmark is for the 'iPhone User Guide'. So why do you need this book? This book was written for my parents; people who needed to know as much as possible, as quickly as possible. There are people who want to know every single little detail about the iPhone, and you will find that in Apple's comprehensive manual. If you are like my parents though, new to the iPhone and just want to learn all the basics in about 30 to 60 minutes or an hour that is, then this guide will help you. People who just want to know how to add their contacts, how to take photos, and how to email. It's not for advanced users, though if you are upgrading from the previous Apple iOS (iOS 6) then you will most probably find it useful. If you are ready to learn read on!

**iPhone iOS 7 Quick Starter Guide** Independently Published

This guide is designed for novices and advanced iPhone/iOS users alike. The tips and instructions here are tailored to the iPhone 8 / iPhone 8 Plus and iOS 10, but you'll find plenty of relevant

information for older iPhone models and older versions of the software. Just be aware that iPhone 8 and iOS 10 have introduced quite a few new features that may not be available on older iPhones! We've broken things down into six major parts. Part 1: Meet Your iPhone will help you unpack the box, learn how to interact with your iPhone, and glide through the set-up process. Part 2: Getting to Know Your iPhone will introduce you to the basic features and navigational system of the device. Part 3: Mastering Your Pre-installed Apps will walk you through the twenty-eight pre-installed apps in detail to help you master what's available right out of the box. Part 4: Making It Your Own guides you through customization and personalization. Part 5: Maintenance and Security will help you keep your iPhone healthy and safe. Finally, Part 6: Must-Have Apps for Your iPhone includes a list of 53 of our favorite apps - we hope you enjoy them as much as we do! There's a lot of information here, but don't feel like you need to absorb it all at once. Think of this guide as a friendly support system for you as you learn to use and enjoy this incredible piece of consumer technology. If you're new to iPhone or to iOS, start by reading through Parts 1 and 2. This should get you on your feet. Be sure to look at Part 5 to learn how to care for your new iPhone. You may want to use Parts 3, 4, and 6 as reference material. You can read them straight through from start to finish or just browse the table of contents for the information most helpful to you. These chapters will also be helpful for experienced users who want to get the most out of iPhone 8 and iOS 10 and will include our favorite tips for new iOS 10 features. Few devices are as painless to use as the iPhone - we hope you have fun and enjoy the journey. Now let's get started!
