From the creator of the popular website Ask a Manager and New York’s work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There’s a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don’t know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You’ll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you’re being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate’s loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green’s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

Buying Guide 2002 W. W. Norton & Company

*RIDING LAWN MOWER SERVICE MANUAL. 3D ED.* Vintage Canada

Growing up on a twenty-?ve acre farm in Amherst, Massachusetts, in the 1950s, author James B. Ricci had his eye on the Locke Power Lawn Mower; it was a familiar sight in the Northeast back then, with its dark- green body and yellow pinstripes. In 1992, Jim bought his own Locke and became interested in penning a booklet about the power lawn mowers made by The Locke Steel Chain Company of Bridgeport, Connecticut. His topic naturally expanded, exponentially. Many years and much research later, this book on the development of the lawn mower in the United States--from the mid-nineteenth century to the start of World War II--is the result of his efforts. It features nearly 200 individuals or corporations that manufactured lawn mowers in this country and offers a snapshot on the patents, products, and historical contributions each brought to the industry. It also offers interesting anecdotes, photographs, and ephemera from the author's extensive collection.

BUYING GUIDE ALL NEW FOR 2005 Primedia Business Directories & Books

This new book is more than a simple engine repair manual. Designed for the beginner with little or no mechanical experience, Small Engines & Outdoor Power Equipment is a graphically appealing, step-by-step guide that covers all of the most important engine maintenance and repair skills you'll need to keep your equipment running at peak performance. It also shows exactly how to perform mechanical upkeep and repairs on the most common outdoor power implements, including lawn mowers, snow blowers, chain saws, power washers, generators, leaf blowers, rototillers, wood splitters, lawn edgers, and weed whips. With clear how-to photos and detailed diagrams, you'll see exactly what needs to be done. A comprehensive troubleshooting guide helps you define problems and enact solutions. With Small Engines & Outdoor Power Equipment in your library, you won't need to haul the lawn mower off to the repair center and wait a few weeks just because a filter is plugged or the old gas needs to be replaced. Among the many skills you'll learn are seasonal tune-ups, changing oil, servicing spark plugs, cleaning filters, replacing a muffler, servicing the fuel tank, overhauling a carburetor, servicing brakes, inspecting a flywheel, replacing a fuel pump, and replacing a rewind cord.

Consumers Digest Office the Common Books

Based on the latest results from the Consumer Reports labs, this 2001 edition features brand-name ratings for more than 500 products, from washers and dryers to lawnmowers, wallpaper, ranges, and air conditioners.

*Walk Behind Lawn Mower Service Manual* Haynes Manuals N. America, Incorporated

by Andrew Shanks, Martynn Randall This updated edition covers a representative selection of the most popular lawnmowers from current models to those bought up to ten years ago. It presents the dismantling, overhaul and re-assembly of each popular engine in a logical sequence with step-by-step photos. Each engine overhaul is accompanied by a table listing all the lawnmowers in which the engine is used. There is also information on preventative maintenance, detailed coverage on buying a mower and safety procedures.

*Small Engines and Outdoor Power Equipment* Lulu.com

When Shadows Speak Four individual stories, about four different lives. Patience Holloway, Lisa James, Tanzy Elliot and Ambrosia Lamott. Take a trip into the world of patience, a young prostitute turned homeless crack addict in "Patience Ain't No Virtue." Follow Lisa as she finds herself and figures out the importance of knowing who you are and not what you look like in "Copper Penny-Silver Dime." Walk with Tanzy while she struggles with the pain of racism in the modern day south in "Black Trees Bear No Fruit." And lastly, go along for the ride of a lifetime with Ambrosia, a toughneck, thuggish twenty year old as she takes what she wants and asks questions later, in "Brosia." Be ready for a thrill ride. Jumping from story to story, it will have you wanting more, once finished.
