Once upon a time an Indian writer named Amitav Ghosh set out an Indian slave, name unknown, who some seven hundred years before had traveled to the Middle East. The journey took him to a small village in Egypt, where medieval customs coexist with twentieth-century desires and discontents. But even as Ghosh sought to re-create the life of his Indian predecessor, he found himself immersed in those of his modern Egyptian neighbors. Combining shrewd observations with painstaking historical research, Ghosh serves up skeptics and holy men, merchants and sorcerers. Some of these figures are real, some only imagined, but all emerge as vividly as the characters in a great novel. In an Antique Land is an inspired work that transcends genres as deftly as it does eras, weaving an entrancing and intoxicating spell.

Never before printed as a stand-alone book, The Worsted Monster is a little-known play with illustrated sets, characters, and props created by Edward Gorey. This very limited edition (26 lettered copies for sale, with three out-of-series), a miniature book, is a three part set. The overall structure includes a carousel format (of the play's acts) and two slipcases; one houses the separately bound play text and the other a portfolio of the illustrations and Gorey's production notes. The book slips into a multi-colored hand-knitted woolen band, laid in a woolen sock, and rests in a bookcloth and bonded leather covered box. The edition and its presentation was designed by Patrice Miller, and printed by Chris Miller, both of Aredian Press.
