Sometimes you know things you ' re not supposed to know. Things that you can never un-know. Things that will change the course of your life...and the fate of the ones you love. I found her in our living room, bleeding and close to death, but alive. Barely. Until morning stole her last breath. The media called her killer the " Triangle Terror " ... and then forgot about her. But I never forgot—my murdered sister, and an investigation that led to my own resurrection from the dead. Twenty-two years ago, on a cold February night, Landon Worthington lost his father for the last time. After an armed robbery gone wrong, evidence and witness testimony pointed a shaky finger at Dan Worthington—deadbeat dad and alcoholic husband. But before the dust could settle over the conviction, Landon ' s preteen sister, Alexis, is murdered in their home, plunging Landon ' s life into further despair. Two decades and a cold case later, Landon is dogged by guilt over their estranged relationship and decides to confront his incarcerated father about what really happened the night of the robbery. But the years of lies are hard to unravel. And the biggest question of all haunts him: How does everything tie into his sister ' s murder? And so begins Landon ' s journey to piece together the puzzle of secrets, lies, and truths that can free his father, avenge his sister, and perhaps save himself. A short story mystery perfect for fans of Robert Dugoni's Third Watch and Dean Koontz's The Neighbor. Read as a standalone or as the companion book to A Secondhand Life.

B.B.U.S.A. Leo, an ordinary Realtor in Boise, Idaho, is suddenly thrust into the role of decoy for his family and avenger of the murder of his business partner, Tim. Leo receives a mysterious flash drive in the mail from Tim after his death. The B.B.U.S.A. Organization fears that Leo knows too much. Leo seeks assistance from his best friend, Major Doug Corrigan, in an attempt to break the password on the flash drive which may be the only thing that will keep him and his family alive. The novel is action packed, and follows Leo and Doug as they desperately try to stay one step ahead of the B.B.U.S.A. From the west coast of the United States to the west coast of southern Africa, Leo and his family experience extraordinary highs and lows. The characters come alive in this vivid portrayal of courage, endurance, friendship and love. From beautiful descriptions of the harsh Namib Desert, to refreshing scenery in the rugged central Idaho wilderness area, this novel will leave you breathless with a sense of adventure, a feeling for the characters, and a thrill of excitement. The B.B.U.S.A. cannot fail. Too much is at stake. They will stop at nothing. Who can Leo trust, and on which side is the handsome Romanian? Leo once considered Florin as a brother, but can he trust him with his life?

The worlds of punk-rock and academia have converged and influenced each other in some interesting (if not peculiar) ways. A once marginal subculture, documented in homemade zines and three chord songs, has become fodder for dozens of scholarly articles, books, dissertations and well-mannered debate. Punkademics explores these varied intersections by featuring contributors who best understand the odd combination of punk and academia.

Punk rock culture in a preeminently average town Synonymous with American mediocrity, Peoria was fertile ground for the boredom- and anger-fueled fury of punk rock. Jonathan Wright and Dawson Barrett explore the do-it-yourself scene built by Peoria punks, performers, and scenesters in the 1980s and 1990s. From fanzines to indie record shops to renting the VFW hall for an all-ages show, Peoria's punk culture reflected the movement elsewhere, but the city's conservatism and industrial decline offered a richer-than-usual target environment for rebellion. Eyewitness accounts take readers into hangouts and long-lost venues, while interviews with the people who were there trace the ever-changing scene and varied fortunes of local legends like Caustic Defiance, Dollface, and Planes Mistaken for Stars. What emerges is a sympathetic portrait of a youth culture in search of entertainment but just as hungry for community—the shared sense of otherness that, even for one night only, could unite outsiders and discontents under the banner of music. A raucous look at a small-city underground, Punks in Peoria takes readers off the beaten track to reveal the punk rock life as lived in Anytown, U.S.A.

If there was ever a man who was born to fly, it is John M. Billings. He took his first plane ride in 1926, began taking piloting lessons in 1938, and joined the US Army Air Force in July 1942. After training he was assigned to fly Consolidated B-24 Liberator long-range bombers. He joined the 825th Bombardment Squadron of the 484th Bombardment Group. After flying fifteen daylight strategic bombing missions, Billings was selected for assignment to the 885th Bombardment Squadron (Heavy) (Special). As its designation suggests, the 885th was no regular bombing unit. The 885th specialized in flying top secret, low-altitude missions at night in support of the clandestine operations of the OSS and the Special Operations Executive. The unit's covert missions included parachuting OSS and SOE agents and supplies deep inside German territory. The most eventful and dangerous of Billings' thirty-nine secret missions with the 885th was his assignment in February 1945 to clandestinely insert a three-man OSS team, code-named Greenup, into Austria. The drop zone selected for the Greenup insertion was located on a glacier in a valley surrounded by mountains in the middle of the snow-covered Alps. Billings and his crew finally found the weather in the Alps clear enough to spot the drop zone, slip their unwieldy B-24 between the mountain peaks and descend to an

altitude just a few hundred feet above the moonlit snow. On Billings' signal, the OSS agents parachuted right on target. The insertion of this OSS team was the inspiration for the feature film *Inglorious Bastards*. However, Brad Pitt's vengeful character was far removed from the leader of the Greenup team, Fred Mayer, who achieved success by infiltrating enemy ranks to gain vital intelligence. After the war, John Billings flew with Trans World Airlines and Eastern Airlines. He also flew more than 300 'Angel Flight' airlift missions which involve the specialized aerial transportation of critically ill medical patients. This is one man's story of a remarkable lifetime of flying, both in peace and in war.

Taryn Clark thought she'd outgrown the need to find her birth mother. She thought that a successful career and a comfortable life in the city were enough to be happy. Did she really need to know about the woman who had given her away? Adopted at birth, her first few years were happy. It hadn't mattered that she didn't know her heritage; she had parents who loved her and wanted her. But divorce, and then death, ripped their tiny family apart, and at the tender age of six, she entered the foster care system. Over the next dozen years, she shuffled from home to home. Finding her roots seemed an impossible dream. But dreams are resilient. An unexpected discovery awakens old yearnings of belonging to a family, of being part of something bigger than herself. Finding the brief, ambiguous note from her birth mother is enough to unfurl the ribbons of hope still binding her heart. Her quest takes her to Lancaster County, Pennsylvania and the heart of the Plain community. Aided by her unique eye color, a healthy dose of luck, and the private investigator she hires, Taryn finds her birth family easily enough, but finding the truth is another matter. In all her musings, she never imagined a scenario where her mother might be Amish. She never imagined that the fabric of her life might be a patchwork of faith and fear, stitched together with a dark family secret. Taryn is determined to trace her roots, even if it means digging in the mud to do

---

so. Now she's caught in the quicksand of a shocking discovery and the consequences of choices made, almost forty years ago. She'll risk everything to uncover the truth and to claim the family--and the roots--she so desperately craves.
