Laura and Charlie Rider have been married for twelve years. They share their nursery business in rural Wisconsin, their love for their animals, and their zeal for storytelling. Although Charlie's enthusiasm in the bedroom has worn Laura out, although she no longer sleeps with him, they are happy enough going along in their routine. Jenna Faroli is the host of a popular radio show, and in Laura's mind is "the single most famous person in the Town of Dover." When Jenna happens to cross Charlie's path one day, and they begin an e-mail correspondence, Laura cannot

---

resist using Charlie to try out her new writing skills. Together, Laura and Charlie craft florid, strangely intimate messages that entice Jenna in an unexpected way. The "project" quickly spins out of control. The lines between Laura's words and Charlie's feelings are blurred and complicated, Jenna is transformed in ways that deeply disturb her, and Laura is transformed in her mind's eye into an artist. The transformations are hilarious and poignant, and for Laura Rider, beyond her wildest expectations.

Dragging Wyatt Earp  
Independently

In Dragging Wyatt Earp essayist Robert Rebein explores what it means to grow up in, leave, and ultimately return to the iconic Western town of Dodge City, Kansas. In chapters ranging from memoir to reportage to revisionist history, Rebein contrasts his hometown ' s Old West

---

heritage with a New West reality that includes salvage yards, beefpacking plants, and bored teenagers cruising up and down Wyatt Earp Boulevard. Along the way, Rebein covers a vast expanse of place and time and revisits a number of Western myths, including those surrounding Francisco Vasquez de Coronado, the Cheyenne chief Black Kettle, George Armstrong Custer, and of course Wyatt Earp himself. Rebein rides a bronc in a rodeo, spends a day as a pen rider at a local feedlot, and attempts to "buck the tiger" at Dodge City's new Boot Hill Casino and Resort. Funny and incisive, *Dragging Wyatt Earp* is an exciting new entry in what is sometimes called the nonfiction

of place. It is a must-read for anyone interested in Western history, contemporary memoir, or the collision of Old and New West on the High Plains of Kansas.

"A beautiful, intelligent book that renders pain both ordinary and extraordinary into art."—Susanna Sonnenberg, *San Francisco Chronicle*  
In 2007, during the months before Nick Flynn's daughter's birth, his growing outrage and obsession with torture, exacerbated by the Abu Ghraib photographs, led

---

him to Istanbul to meet some of the Iraqi men depicted in those photos. Haunted by a history of addiction, a relationship with his unsteady father, and a longing to connect with his mother who committed suicide, Flynn artfully interweaves in this memoir passages from his childhood, his relationships with women, and his growing obsession—a questioning of terror, torture, and the political crimes we can neither see nor understand in post-9/11 American life. The time bomb

of the title becomes an unlikely metaphor and vehicle for exploring the fears and joys of becoming a father. Here is a memoir of profound self-discovery—of being lost and found, of painful family memories and losses, of the need to run from love, and of the ability to embrace it again. *Shadow Ball* Kent State University Press Winner of a "Discovery"/The Nation Award Winner of the 1999 PEN/Joyce Osterweil Award for Poetry Some Ether is one of the more remarkable debut collections of poetry to appear in America

---

in recent memory. As Mark Doty has noted, "these poems are more than testimony; in lyrics of ringing clarity and strange precision, Flynn conjures a will to survive, the buoyant motion toward love which is sometimes all that saves us. Some Ether resonates in the imagination long after the final poem; this is a startling, moving debut."

Walter McCloud is a boy with dreams unlike most.

Introduced as a child to the genius of Balanchine and the lyricism of Tchaikovsky, Walter has always aspired to be a dancer. As

---

he grows older, it becomes clear that despite his desire, he lacks the talent, and he faces the painful knowledge that his more gifted friends have already surpassed him. Soon, however, that pain is overshadowed when his older brother, Daniel, finds a strange lump on his neck and Walter realizes that a happy family can change overnight. The year that follows transforms the McClouds, as they try to hold together in the face of the fearful consequences of Daniel's illness, and Walter makes discoveries about himself and his friendships that will change him forever. Decades later, after Walter has left home and returned, he must come to terms with the memories of that year, and grapple once and for all with the challenge of carving out a place for himself in this all-too-familiar world. A moving story of the torments of sexuality and the redemptive power of family and friendship, *The Short History of a Prince* confirms Jane Hamilton's

The twelfth-century French poet Chrétien de Troyes is a major

figure in European literature. His courtly romances fathered the Arthurian tradition and influenced countless other poets in England as well as on the continent. Yet because of the difficulty of capturing his swift-moving style in translation, English-speaking audiences are largely unfamiliar with the pleasures of reading his poems. Now, for the first time, an experienced translator of medieval verse who is himself a poet provides a translation of Chrétien's major poem, Yvain, in verse that fully and satisfyingly captures

---

the movement, the sense, and the spirit of the Old French original. Yvain is a courtly romance with a moral tenor; it is ironic and sometimes bawdy; the poetry is crisp and vivid. In addition, the psychological and the socio-historical perceptions of the poem are of profound literary and historical importance, for it evokes the emotions and the values of a flourishing, vibrant medieval past.

from nearby Bangladesh who have moved into Arakan during the British occupation of Burma in the 19th century. Is there any truth to such allegations? Does the military junta apply the same litmus test against all ethnic and religious groups in matters of citizenship? What is the basis for a nation's claim to self-determination? Must a people wander in the wilderness for two millennia and suffer repeated persecution, humiliation and genocide to qualify? How about the rights of a minority community to survive with their culture and traditions intact? Do they need to be 'children' of a 'higher' God to qualify? What makes the children of a 'lesser' God to be forgotten and denied the same treatment and privilege that was granted hitherto to other nations? For much of its history, Burma has been ruled by military. As has once again been demonstrated recently they are brutal, savage and tyrannical. They have ignored people's verdict in

---

the election and imprisoned leaders and workers of the democracy movement. They cannot be guarantors or protectors of human rights of anyone, let alone religious and ethnic minorities. Do you know that the Rohingyas - face cruel restriction on marriage and those married without government authorization are paraded naked on the streets?- Are restricted from traveling outside their villages?- Have no legal right to own land or property?- Are restricted from getting education,

finding work, getting medical and health care? - Are subjected to land confiscation, forced eviction and destruction of homes, offices, schools, mosques, shops, etc., and face religious persecution on a daily basis? - Are victims of staged riots, forced starvation, arbitrary taxation, extortion, arrest, torture and extra-judicial killings?- Are forced to do slave labor for establishment of government infrastructure, new Buddhist settlements, pagodas and

---

monasteries on evicted lands with the government intent of changing the landscape and demography of Arakan?- Are forced to convert to Buddhism &/or worship Buddha? Do you know that when it comes to the Rohingya people, the Burmese government doesn't uphold any of the Articles of the Universal Declaration of Human Rights? Nothing can excuse us from the criminal silence that we practice in not voicing our concern about the plight of the Rohingya people.

"The Forgotten Rohingya" makes a strong case for mobilizing concerned citizens of our globe to ease their sufferings. The author analyzes origin of the Rohingya people and offers ideas to solve their problem. The author also discusses problems of xenophobia and racism, which are so rampant in this country of many races, ethnicities and religions. He also analyzes the role of Daw Suu Kyi and failure of Burma's orange revolution.
