Teaching Piano in Groups Alfred Music Publishing

The Beginner Guitar Lessons for Kids Book with Online Video & Audio access by Jay Wamsted is designed to help the absolute beginning student

learn to play the guitar. This step-by-step course is designed for elementary school-aged children (ages 5-11) and quickly teaches the student to play songs they will know and love. This method includes online access to video instruction that will help the child play with proper form and timing. The video shows the guitar, both hands, and the sheet music on-screen at the same time. The audio tracks allow the student to practice and play along with easy songs. The combination of book, video, and audio make this the easiest to understand guitar course for kids available.

Piano Lessons Oxford University Press

(Educational Piano Library). Piano Practice Games presents imaginative ways to introduce pieces in Piano Lessons by coordinating technique, concepts, and creativity with the actual

---

music in the Piano Lessons books. These preparation activities help focus learning by 'playing with' each lesson piece aurally, visually, and physically. Whether used in individual or group lessons, Piano Practice Games are all designed to make music. Many activities include accompaniments that can be added by the teacher or by using the CD or GM disk from the corresponding Piano Lessons book. *Progressive Piano Method for Young Beginners* Mayron Cole Piano Method "Aimed at complete beginners, children can easily follow the clear and simple diagrams and pictures to learn their first notes, play fun tunes and gain confidence playing their first Keyboard! This great beginner's book also provides a fantastic introduction to reading and

playing music, includes a fun pull-out Wall Chart to help with practice, and will have kids playing their first tunes in no time!" --P. [4] of cover.

Future and current independent private music educators will find this book an invaluable resources for establishing and maintaining a private music studio. Private music instructors will learn what they should expect professionally, personally, and financially from their independent music instruction business. Until now, no single resource has existed that fully explains how to run this type of business successfully. This book presents all aspects of private music instruction through an easy-to-read, concise, and engaging instructional format.

Following the sound advice presented will help to greatly alleviate the problems that all beginning independent instructors face by specifically mapping out chronological steps

---

for establishing and maintaining a private instruction music business. The field of private music education has been inundated by less-than-professional individuals who have made it difficult for legitimate, qualified instructors. The Private Music Instruction Manual shares years of information and experiences in the hope of legitimizing the field of private music instruction. In a world where there is decreasing priority and structure in public music education, private music instructors become increasingly important to prepare the next generation of musicians. No matter the size of your private music instruction business, the advice presented in The Private Music Instruction Manual will help to improve any private music business. From the Midwest Book

Review: With The Private Music Instruction Manual; A Guide For The Independent Music Educator, author Rebecca Osborn draws upon her many years of experience and expertise as an adjunct college music professor and owner of three private music studies to write an informed and informative guidebook specifically for musicians and music instructors who want to teach students in a profitable private practice but are not familiar with or knowledgeable about setting up a music instruction business enterprise. Rebecca Osborne provides a wealth of invaluable, professional, effectively organized and presented instructions on establishing and maintaining a music teaching business and shows what to expect professional, personally, and financially from

---

independent music instruction. If you want to make money teaching other how to play any kind of music instrument, then you need to give a careful (and profitable!) reading to Rebecca Osborn's The Private Music Instruction Manual!
