Plugin Alliance is a one stop shop for just about all of your plugin needs. Multiple manufacturers, offering some of the best EQ, compression, corrective, and mastering tools on the market today. One account and one license covers them all, it couldn't be more simple.

Manual Plugin Alliance

The Plugin Alliance Installation Manager allows you to quickly download & install all your plugins from Plugin Alliance from a single interface and with ONE ...

Activation Manual - Plugin Alliance

I use SPL: Sound Performance Lab and Brainworx | M/S Mastering Tools & Audio Plug-ins plugs, so was headed into the M/S Mastering Tools & Audio Plug-ins - Plugin Alliance initiative. SPL delivers great sculpting tools, as the emulation of the 500 Series Ranger EQ. Check the Bass Ranger, it's awesome. Brainworx has some mixing plugs that - although intricate at first - are really useful IMHO.

All Plugins & Products - Plugin Alliance

I'm not entirely sure this will fit in the budgets of an average home studio owner, but it seems pretty fair for a mastering house or a restoration studio. The good news is that with the Plugin Alliance partnership, comes the usual Plugin Alliance perks - No iLok and three authorizations to use on any of your multiple workstations.

Thorn - Dmitry Sches

All this power comes in two workspaces—separate component plugins for mixing and mastering—to help you work faster. On individual tracks that don't need surgical equalization, the "bx_digital V3 mix" plugin simplifies operation by excluding mid-side processing and additional meters.
