Meteorology for Seafarers McGraw Hill Professional

"The CCG/6120 - Ice Navigation in Canadian Waters Manual is published by the Canadian Coast Guard (CCG) in collaboration with Transport Canada Marine Safety, the Canadian Ice Service (CIS) of Environment and Climate Change Canada (ECCC) and the Canadian Hydrographic Service of Fisheries and Oceans Canada. The publication is intended to assist vessels operating in ice in all Canadian waters, including the Arctic. This document will provide mariners of vessels transiting Canadian ice-covered waters with the necessary understanding of the regulations, shipping support services, hazards and navigation techniques in ice"--Preface, page xiv.

Cruising Guide to Nova Scotia

Cultivating an attitude of gratitude yields many benefits: physical, mental and spiritual. In this Journal, you have flexibility to write down the dates of entry and not feel guilty if you miss a day. There are also pages in this journal where you can just draw something beautiful. Every page contains an inspirational quote (non religious). Gratitude is a feeling of appreciation for what one has. Write down three to five things you are grateful for in

this journal and turn your ordinary moments into blessings.

Where the Wind Blows

"Topography (physical shape of the land) and bathymetry (physical shape of the sea bed) have a profound influence on both the general climate and the local weather along Atlantic Canada's coastlines. The combination of rugged landscape and generally cold seas can produce some of the harshest marine weather conditions imaginable--sometimes with tragic consequences"--Introduction, page x.
