Transmission Valve Body Replacement Cost. The cost of replacing a bad transmission valve body will depend on the make and model of your vehicle. However, it is one of the more expensive car part replacements that you will need to make. On average, a transmission valve body piece will cost you anywhere from \$200 to \$500.

Valve Bodies for Automatic & Manual Transmissions | JEGS
Manual Valve Body The Complete

Automatic Transmission Valve Bodies - TH350 Transmission ...

This valve body offers a cheap fix for the p1870 code due to TCC valve that wears out on these 4l60e transmissions. I installed this valve body in my 1999 Chevy Suburban and the code went away and

it shifts great. One option is to bore out the TCC and replace it, but a new valve body is just as cheap (maybe cheaper) and perhaps an easier safer fix.
