Mao II Analysis - eNotes.com

*Mao II*, the work by Andy Warhol, is an ironic take on Chairman Mao, mass-producing his image and doing precisely what Bill suggests—draining the man of meaning. *Mao II*, the novel by Don DeLillo, may also be ironic, but in the opposite direction.

#### Mao II - Don DeLillo - 1991

With a formidable body of work behind him, DeLillo has earned the reflexive musings of this heady portrait of an obsessed and reclusive writer—a novelist haunted by the corruptions of an image-dominated world, and hunted by those who deny him the eloquence of silence. Two early books have brought Bill Gray both Salinger-like acclaim and enough royalties to live as obscurely as Pynchon, which

*Mao II* is a masterpiece of contemporary fiction. In DeLillo's canon, I rate it better than *White Noise* and on par with his massive opus, *Underworld*. Despite *Mao II*'s relative brevity, the denseness of ideas contained within are staggering. This was easily one of the best books of the 1990's, if not the last quarter century.
