*Marantz Professional - PMD660*

Marantz claim their PMD660 to be a

"miniature" portable solid state stereo pro-

recorder and it is certainly a more sensible size

than its bigger brother, the PMD670 (from

which it is derived), although compared to most

other handhelds we would have to call it 'a bit

of a brick' rather than miniature.

The PMD660 records onto CF or Compact

Flash Cards. To insert a CF card: 1. Open

the CF Card Door on the front side of the

recorder. You should see a slot that looks

---

like a miniature disc drive.
