Marco Polo Didn't Go There Travelers' Tales

Marco Polo Was in China Open Road Media

Spanning fifteen years of travel, beginning when she is a sophomore in college, Wanderlust documents Elisabeth Eaves's insatiable hunger for the rush of the unfamiliar and the experience of encountering new people and cultures. Young and independent, she crisscrosses five continents and chases the exotic, both in culture and in romance. In the jungles of Papua New Guinea, she loses herself—literally—to an Australian tour guide; in Cairo, she reconnects with her high school sweetheart, only to discover the beginning of a pattern that will characterize her life over the long-term: while long-distance relationships work well for her, traditional relationships do not. Wanderlust, however, is more than a chronological conquest of men and countries: at its core, it's a journey of self-discovery. In the course of her travels, Eaves finds herself and the sense of home she's been lacking since childhood—and she sheds light on a growing culture of young women who have the freedom and inclination to define their own, increasingly global, lifestyles, unfettered by traditional roles and conventions of past generations of women.

Vagabonding Taylor & Francis

Written in the irreverent style that made How to Talk About Books You Haven't Read a critical and commercial success, Pierre Bayard takes readers on a trip around the world, giving us essential guidance on how to talk about all those fantastic places we've never been. Practical, funny, and thought-provoking, How to Talk About Places You've Never Been will delight and inform armchair globetrotters and jet-setters, all while never having to leave the comfort of the living room. Bayard examines the art of the “non-journey,” a tradition that a succession of writers and thinkers, unconcerned with moving away from their home turf, have employed in order to encounter the foreign cultures they wish to know and talk about. He describes concrete situations in which the reader might find himself having to speak about places he's never been, and he chronicles some of his own experiences and offers practical advice. How to Talk About Places You Haven't Been is a compelling and delightful book that will expand any travel enthusiast's horizon well beyond the places it's even possible to visit in a single lifetime.

MARCO POLO HIS TRAVELS & ADV Marshall Cavendish

From Venice to Pelping across high Asia, an adventurous American couple follows a dangerous trail seven centuries old. “Franc and Jean Shor are the most widely traveled American couple on the world scene. They have gone to the farthest reaches, to the bleak places few have ever seen. They are warm-hearted, hospitable people, and keen observers, with great perception and understanding. “It's an exciting and absorbing adventure story that Jean Shor tells. It has a gay and humorous side; and a grim and near tragic one too. She and Franc follow Marco Polo by car, by horse and yak, and on foot over the top of the Pamirs of Central Asia, through heat and freezing cold. She has also followed Marco Polo's example by giving a faithful account of the people of the various regions—their customs, institutions, habits, diet, dress, dances, and religion. “This is the best travelogue I know. It takes one where only a handful from the West have ever gone. The account is on par with Marco Polo's great classic. And it has more warmth and meaning, because it is rich in the details that only an understanding woman can contribute.”—WILLIAM O. DOUGLAS, Associate Justice of the Supreme Court and author of Beyond the High Himalayas, etc.

Marco Polo Penguin

****A SOURCE FOR MARCO POLO, A NETFLIX ORIGINAL SERIES**** Marco Polo's journey from Venice, through Europe and most of Asia, to the court of Kublai Khan in China is one of the most audacious in history. His account of his experiences, known simply as The Travels, uncovered an entirely new world of emperors and concubines, great buildings - 'stately pleasure domes' in Coleridge's dreaming - huge armies and imperial riches. His book shaped the West's understanding of China for hundreds of years. John Man travelled in Marco's footsteps to Xanadu, in search of the truth behind Marco's stories; to separate legend from fact. Drawing

on his own journey, archaeology and archival study, John Man paints a vivid picture of the man behind the myth and the true story of the great court of Kublai Khan.

Marco Polo's Book University of Chicago Press

Frank and Joe Hardy are investigating a mysterious old house high on the cliffs above Barmet Bay when they are frightened off by a scream. The boys return to the apparently haunted house when they make a connection between the place and a smuggling case their father is working on. When their father goes missing, they have to investigate the caves beneath the house and confront the smugglers.

The Book of Ser Marco Polo, the Venetian, Concerning the Kingdoms and Marvels of the East Wentworth Press

"I have read everything written on Marco Polo, and John Man's book is, by far, my favorite work on the subject. It's not only an over-due and important historical study, it's an entertaining ride every step of the way." – John Fusco, Creator of the Netflix original series Marco Polo The true history behind the Netflix original series Marco Polo, here is the remarkable story of the world's most famous traveler, retracing his legendary journey from Venice to China, the moment East first met West. In 1271, a young Italian merchant named Marco Polo embarked on a groundbreaking expedition from Venice, through the Middle East and Central Asia to China. His extraordinary reports of his experiences introduced medieval Europe to an exotic new world of emperors and concubines, amazing cities, huge armies, unusual spices and cuisine, and imperial riches. Marco Polo also revealed the wonders of Xanadu, the summer capital of Mongol emperor Kublai Khan. Almost 750 years later, acclaimed author John Man traveled in Marco Polo's footsteps to Xanadu then on to Beijing and through modern China in search of the history behind the legend. In this enthralling chronicle, Man draws on his own journey, new archaeological findings, and deep archival study to paint a vivid picture of Marco Polo and the great court of Kublai Khan.

The Mysteries of the Marco Polo Maps Travelers' Tales Guides

Marco Polo was seventeen when he set out for China . . . and forty-one when he came back! More than seven hundred years ago, Marco Polo traveled from the medieval city of Venice to the fabled kingdom of the great Kublai Khan, seeing new sights and riches that no Westerner had ever before witnessed. But did Marco Polo experience the things he wrote about . . . or was it all made-up? Young readers are presented with the facts in this entertaining, highly readable Who Was . . . ? biography with black-and-white artwork by John O'Brien.

The son of a traveling merchant, Marco Polo spent his early years among the ports of Venice, Italy. As a young man, he headed eastward with his father and his uncle toward the lands of the Mongol emperor Kublai Khan. Their journey from Europe into Asia, marked by risks, setbacks, and discoveries, transformed every person involved. It also led to one of the world's most studied and most debated travelogues. Marco Tabilio, an emerging talent of Italian cartooning, creates a graphic novel in the form of a puzzle and finds the coming-of-age tale within the legend of Marco Polo.

Messer Marco Polo Harper Collins

As the first European to travel extensively throughout Asia, Marco Polo was the earliest bridge between East and West. His famous journeys took him across the boundaries of the known world, along the dangerous Silk Road, and into the court of Kublai Kahn, where he won the trust of the most feared and reviled leader of his day. Polo introduced the cultural riches of China to Europe, spanning centuries of Western fascination with Asia. In this lively blend of history, biography, and travelogue, acclaimed author Laurence Bergreen separates myth from history, creating the most authoritative account yet of Polo's remarkable adventures. Exceptionally narrated and written with a discerning eye for detail, Marco Polo is as riveting as the life it describes.

After You, Marco Polo Marco Polo Didn't Go There

Recounts the life of the great explorer who traveled more than thirty thousand miles by land and sea from Italy to China in the thirteenth century, and who was instrumental in opening up the East to Europeans. Penguin

Quicklets: Your Reading Sidekick! ABOUT THE BOOK The Travels of Marco Polo was written in the 13th century from the accounts of the explorer Marco Polo, as recorded by romance author Rustichello da Pisa while they were both political prisoners in Genoa. Some scholars consider Rustichello da Pisa to be the proper author, and that he based the work on Marco Polos stories but told them in his own words. Other scholars think of the book as a collaboration between the two men, something jointly composed to while away the time in prison. Still others think that Marco Polo should be considered the author, and that he dictated the stories while Rustichello da Pisa acted more as a scribe than co-author. The book is a travelogue, probably originally

composed in Old French (though some scholars believe it was actually first written in Latin and then translated through Mexico Reexamine war memories with former soldiers in Vietnam Learn the ropes and the art of sailing to Italian), in which Marco Polo visited Persia, China, Indonesia and other parts of Asia between the years 1271 and 1291. He claims to have become important in the court of the Mongol leader Kublai Khan where he served that dynasty for twenty years, but whether or not that is true, he was certainly a curious and observant traveller. MEET THE AUTHOR Nicole has been writing since she could make letters with a pencil, and has been making a living at it for more than ten years. She has gone back to school too many times, studying archaeology, folklore, writing and visual art. She writes fiction under several pen names, and also does printmaking, book arts, and photography. She's an avid amateur natural historian with a particular fascination for things that fly, whether it's birds, bats or insects. And if it's possible to be both a luddite, with a love for the low-tech, and a technophile, with a fascination for everything new and shiny, Nicole is both. She reads too many books, plays too many video games, and watches too much anime. EXCERPT FROM THE BOOK After his father and uncle returned to Venice, Marco Polo set off with them on a new journey through central Asia to China where he apparently became an important dignitary at the court of the Mongol leader Kublai Khan, who was at the time the founder and ruler of China's Yuan Dynasty. Marco Polo remained in Kublai Khan's court for two decades, before eventually returning to Europe, only to find that the Venice was at war with Genoa. Because of the tensions between the two cities, Marco Polo was taken as a political prisoner in Genoa, where he was imprisoned with a writer of romances, Rustichello da Pisa. To pass the time in prison, the two men worked on Marco Polo's biography. After he was released from captivity, Marco Polo returned to Venice where he continued to finance trading expeditions, though he did not himself go on another one. Buy a copy to keep reading! Famous Men of the Middle Ages Ember

A lonely doll helps a child adjust to a blended family in the first of a charming series about library toys and the children who borrow them, written by Newbery Honoree Cynthia Lord. Ivy was Anne the librarian's doll when she was a young girl. But now she has moved to Anne's library to be its newest Book Buddy—a toy that can be checked out just like a book. Ivy isn't sure she wants to be borrowed, though. She'd rather go back to just being Anne's favorite toy. Fern, a child who visits the library with her stepfamily, also wishes things could go back to the way they were, when Fern had her dad all to herself. When Fern takes Ivy home, an unexpected outdoor adventure helps both of them find confidence and belonging in their changing worlds. This heartwarming story by Cynthia Lord, with a classic feel and gentle illustrations by Stephanie Graegin, is the first in a chapter-book series that pairs friendly toys with child characters who need them.

Marco? Polo! #16 Seal Press

Marco Polo Didn't Go There is a collection of rollicking travel tales from a young writer USA Today has called "Jack Kerouac for the Internet Age." For the past ten years, Rolf Potts has taken his keen postmodern travel sensibility into the far fringes of five continents for such prestigious publications as National Geographic Traveler, Salon.com, and The New York Times Magazine. This book documents his boldest, funniest, and most revealing journeys—from getting stranded without water in the Libyan desert, to crashing the set of a Leonardo DiCaprio movie in Thailand, to learning the secrets of Tantric sex in a dubious Indian ashram. Marco Polo Didn't Go There is more than just an entertaining journey into fascinating corners of the world. The book is a unique window into travel writing, with each chapter containing a "commentary track"—endnotes that reveal the ragged edges behind the experience and creation of each tale. Offbeat and insightful, this book is an engrossing read for students of travel writing as well as armchair wanderers.
