If you could have any animal's hair, whose would you choose? If you had a polar bear's double coat, you would never have to wear a hat when playing in the snow. If you had reindeer hair, it could help you stay afloat in water. And if you had a porcupine's hair, no bully would ever bother you again! **WHAT IF YOU HAD ANIMAL HAIR?** is a follow-up to the adorable **WHAT IF YOU HAD ANIMAL TEETH?** Each spread will feature a photographic image of the animal and its hair on the left and an illustration of a child with that animal's hair on the right. As in **ANIMAL TEETH**, the illustrations will be humorous and will accompany informative text.

The MGB, the epitome of the British sports car, has attracted a huge following because of its blend of good looks, practicality and decent road manner. During its 18-year production life, from 1962 to 1980, it underwent a bewildering number of changes to specification and equipment. An owner or restorer of an MGB wants to know where their car came in the cycle of production and thus what it should look like and what parts should be fitted, from tail lamps to door handles. Answers to all these questions can only be found in this book, with detailed color photography of the complete range of the cars.
