[Marital separation - Wikipedia](#)

Marital separation occurs when spouses in a marriage stop living together without getting divorced. Married couples may separate as an initial step in the divorce process or to gain perspective on the marriage and determine if a divorce is warranted.

[The Difference Between a Legal Separation and Divorce](#)

Some couples choose not to divorce or choose to separate for a time before they petition for a divorce or dissolution of marriage. A Marriage Separation Agreement outlines how assets, debts and children will be managed during the separation.

[Legal Separation Agreement | Legal Separation Form ...](#)

Legal Separation. Legal separation is the solution when you're neither married nor divorced. If one of you has already moved out, please consider making it legal to protect yourself concerning child custody and support, taxes, and any new debts that might be incurred. It can also help form a basis for negotiating your eventual divorce settlement.

[Legal Separation - WomansDivorce.com](#)

Generally speaking, a trial separation or a marriage separation of husbands and wives in marriage is a symbolic event – one which usually signifies finalization, a step in the process of divorce. But what if we turned this idea on its head?

[Can a Temporary Separation Make a Relationship Stronger ...](#)

Many couples in the midst of a crisis think that marital separation is the only way to improve things or calm burning issues down.

And understandably so. A separation can help couples gain perspective on the marriage and seriously think if the right way forward would be to continue the marriage or call it quits.

[How to Approach a Marital Separation - Focus on the Family](#)

Remember that marital separation is best understood as a strategy for healing a hurting marriage. As Gary Chapman puts it in his book *Hope for the Separated: Wounded Marriages Can Be Healed* (a resource we highly recommend), "separation is not necessarily the beginning of the end."

[Marriage Separation - Expert Advice, Counseling & Tips ...](#)

A separation can be a cooling down period if there has been a lot of conflict in the marriage. It can also be a period of time when a couple can take advantage of couples counseling and finding new ways to handle conflict when it arises in the marriage.

[MARITAL SETTLEMENT AGREEMENT - California Courts](#)

It's important that a spouse considering separation understand that he or she has a great deal of power to change the marriage – the power of influence that needs to be exerted before giving up hope. Although *Focus on the Family* advises against separation in most cases, sometimes it becomes essential as a step of survival and an act of love.

[Stages of Marriage Separation | Our Everyday Life](#)

Unfortunately, most people filing the marital settlement agreement eventually file for a divorce. And, having the Marital Settlement

Agreement in Maryland will simplify your divorce proceedings and pleadings making the process clear. With the agreement, it is clear that you have, before the court, an uncontested divorce. You need a marital settlement agreement to provide for the future governance of your relationship.

[Can a Trial Separation Save a Relationship | Marriage.com](#)

Legal separation is a legal process by which a married couple may formalize a de facto separation while remaining legally married. A legal separation is granted in the form of a court order. In cases where children are involved, a court order of legal separation often makes child custody arrangements, specifying sole custody or shared parenting, as well as child support. Some couples obtain a legal separation as an alternative to a divorce, based on moral or religious objections to divorce. [Legal Free Marital Separation Agreement - forms.legal](#)

Separation as an Act of Love - Focus on the Family  
Marital Separation- Couples often separate prior to or during divorce proceedings. Marital Separation is when you and your partner want to live separate and apart, but are still legally married under the law.

More Options. A legal separation, is a court order that mandates the rights and duties of a couple while they are still married, but living apart; in a divorce, the spouses are no longer married. Legal separations aren't too common, but can be helpful especially while the spouses work through any personal or financial issues affecting the marriage.

*Legal Separation vs. Divorce - FindLaw*

These stages, in varying orders of appearance, are: denial, anger, bargaining, depression and acceptance. Legal stages of the divorce process will, however, happen in fixed order. Understanding the emotional and legal stages of marital separation and adopting coping strategies can help stabilize your emotions when your world has been shaken.

*Marital Separation*

Living apart for a while could ultimately keep you together longer. I am a big believer in the therapeutic value of a separation to strengthen the marriage if it's done in the right way for the right reasons, and if there are clear agreements from the start. This separation can be done at any time and, indeed,...

This Is Why Marriage Separation May Not Be the Right ...

Many women often consider getting a marital separation when they're unsure if they really want to file for a divorce. In some cases, living apart from each other allows a couple to decide if they want to make the split permanent or not. It is also a necessary step to file for an uncontested divorce in some states.

Legal separation - Wikipedia

A marriage separation doesn't have to mean divorce. If you and your spouse keep the lines of communication open, you can clear the path to healing your relationship and mending the marriage. If you are unsure how to reconcile with your spouse, consult a marriage professional.
