Werewolves are hunting me. I was just an ordinary girl waiting tables in a small-town bar. I had no idea magic was real. That was, until I backed my car over a werewolf a couple times. In my defense, the wolf was trying to murder me, and I was all out of mace. Now I've got a cult of rogue wolves on my heels, and the only one who can protect me is Jaxson Laurent--the Chicago Alpha. He suspects I'm special and can't take his eyes off me, but the problem is--he's the sworn enemy of my family. Every time we get close it feels like something is going to rip out of my soul, but the heat between us is irresistible. With danger around every corner and wolves howling in the night, I need to master my magic and stand my ground, or I'll be dead before the next moon rises. An action-packed urban fantasy, *Wolf Marked* features a kick-ass heroine, a dangerous alpha hero, and a steamy slow-burn, enemies-to-lovers romance. Prepare to be drawn into a mysterious and magical world, full of demons, shifters, and sorcerers. This story is set in the wider *Dragon's Gift* universe created by Linsey Hall, and if you enjoyed the archaeology, history, and daring in her books, this adventure is for you!

Eighteen-year-old Trinity is unlike any other werewolf in her pack. For one, there were unusual circumstances surrounding her birth, for another, she is the only pack member to never shift into a wolf form. So now she doesn't quite belong anywhere. Not quite human and not quite wolf. She thought she would be able to live her life how she wanted when she had turned eighteen. Go to college, make some friends, have some fun. But what is she to do when the dangerously sexy Alpha literally falls right into her lap? "I am not human, and I am not a wolf. I don't belong anywhere..." "...we both know that no one is going to mate with me, and even if they did, they would just reject me anyway." What is the sexy, brooding Alpha going to do? The elders are making him hold

these ridiculous parties to search for a mate. He doesn't want a mate, but he knows he needs a mate to finish the Alpha Circle. Without a mate, a Luna for the pack, his people would suffer. And what is he going to do when he stumbles across the girl that fate has chosen for him and he finds out she has no wolf? "This cannot be!" I roared.

"There is no way that I can mate with a girl that does not even have a wolf. She will be too weak. She will be inferior. She will not be strong enough to be a Luna." "I simply could not accept her as my mate. Not fully. It wasn't safe for her. She would get herself killed. And she would bring my pack down with her." When these two meet, sparks will surely fly. But will it be from passion, or their constant fighting? Neither of them wanted a mate. Neither of them wants the mate that fate chose for them. And neither of them can make that mate bond go away. What are they going to do now that they're literally stuck with each other?

Night of the Wolf Draft2digital

The Silver Wolf, Alice Borchardt's acclaimed novel of a shapeshifter's struggle to survive as woman and wolf amid the Dark Ages, announced the arrival of a ferociously gifted writer. Now, with her masterful weaving of adventure, history, and magic, Borchardt delves deeper into the shape-shifter legend, and brings an earlier, more savage time brilliantly to life. The fearsome legions of Julius Caesar have crushed resistance to Roman rule. The power of the druids is broken; the shattered tribes retreating to the dubious safety of the high mountains or fleeing north into lands as inhospitable as those left behind. Watching all the while through yellow eyes afire with curiosity and intelligence is Maeniel, a gray wolf . . . who is also a man. This is not the Maeniel of *The Silver Wolf*. Not the mature shapeshifter, secure in his dual nature, whose hard-won wisdom is the equal of his preternatural strength and passion. That Maeniel will not exist for another eight hundred years. Now he is a stranger to his human half, his reason chained to instinct. Yet as the ancient civilization of the Gallic tribes is systematically destroyed around him, a new Maeniel is about to be born from the ruins. It begins with a woman. She is Imona: young, proud, beautiful. The sight of her fills Maeniel with unfamiliar feelings and desires, triggering his transformation from wolf to man. In her arms he learns for the first time what it means to love. It is a knowledge that will change him forever. For when Imona vanishes following a Roman massacre, Maeniel begins to learn a very different lesson. Following Imona's trail as wolf and man, Maeniel is himself pursued by a warrior woman sworn to kill him. She is Dryas, a queen without a kingdom. But the two adversaries will prove to have much in common. And the hunt upon which they embark will lead them farther than they can imagine: to the gates of Rome itself. To the gates of their very souls . . . With

Night of the Wolf, Alice Borchardt has given us another triumph of soaring imagination and adventure. By turns lyrical, sensuous, and violent, hers is a vision of the past that will stir both heart and mind. Her writing will possess you like a fever . . . and haunt you like a voluptuous dream.

The Wolf Within Ballantine Books

The charming and poignant story of the relationship between a philosophy professor and his pet wolf. Mark Rowlands was a young philosophy professor, rootless and searching for life's greater meaning. Shortly after arriving at the University of Alabama, he noticed a classified ad in the local paper advertising wolf cubs for sale and decided he had to investigate, if only out of curiosity. It was love at first sight, and the bond that grew between philosopher and wolf reaffirms for us the incredible relationships that exist between man and animal. Mark welcomed his new companion, Brenin, into his home. More than just an exotic pet, Brenin exerted an immense influence on Rowlands both as a person, and, strangely enough, as a philosopher, leading him to reevaluate his attitude toward love, happiness, nature, death, and the true meaning of companionship.
