International Marketing 10th Edition -  
amazon.com

Ranked the #1 selling introductory marketing text, Kotler and Armstrong's Principles of Marketing provides an authoritative and practical introduction to marketing. The Tenth Edition is organized around a managing customer relationships framework that is introduced in the first

two chapters, and then built upon throughout the book. Real world applications appear in every chapter and every vignette is new or has been updated.

## Marketing 10th Edition

Global Marketing 's environmental and strategic approach outlines the major dimensions of the global business environment for students. The 10th Edition brings global marketing out of the classroom and into the real world with up-to-date examples of questions, concerns, and crises facing global markets. New cases have been added while others have been revised as the text considers recent geopolitical developments and technological changes affecting global marketing.
