**Marketing In Hospitality Industry;Second Edition - CORE**

The third edition of Michael Baker's popular

text again starts from the premise that the development of marketing depends on the integration of theory and practice and that if marketing is to achieve the transition from art to applied science, it must establish a sound theoretical foundation in its own right.

Marketing (2nd edition) - CORE

The Core distills Marketing's 22 chapters down to 18, leaving instructors just the content they need to cover the essentials of marketing in a single semester. Instructors using The Core also benefit from a full-sized supplements

package that surpasses anything offered by the competition, while students will appreciate the easy-to-read paperback format that's equally kind to both the eyes and the pocketbook.
