*Parent's Resources - Marshall Cavendish Education*

Science Matters comes from Marshall Cavendish Education and is intended for the high school crowd. This series covers three branches of science: biology, chemistry, and physics. Like other products from this publisher, there are several different components. The Teacher Planning Guide contains an overview of the curriculum and an outline of the resources and activities available.

I'm actually a student, I'm using Marshall Cavendish's books, does anyone know where I can get Biology Matters Practical and Chemistry Matters Practical in Teacher's Edition? Also, our social studies book is from EPB Pan Pacific, anyone know any websites that sell these books? MOE has a strict regulation that prevents me from getting the books in Singapore.
