Marshall Amplification MG100HDFX, MG100DFX User Manual

From Jim Marshall. I would like to personally thank you for selecting one of two 100 Watt models in my new MG range – the MG100DFX 1x12" Combo or the MG100HDFX Head.. As a musician myself, I fully understand what it takes to perform live in a band situation.

A buddy of mine told me that a Marshall solid state amp would be a nice pairing for the Ibanez for the type of music I like to play, so I spent some time playing the Marshall combo amps in local guitar stores, before settling on the MG100DFX. I then went online to find the best price and ordered it. Love the power and that Marshall tone.
