The purpose of this audit techniques guide (ATG) is to provide guidance for the examination of charitable contributions of conservation easements. Users of this guide will learn about the general requirements for charitable contributions and additional requirements for contributions of conservation easements.

This ATG includes examination techniques and

an overview of the valuation of conservation easements. It also includes a discussion of penalties, which may be applicable to taxpayers and others involved in the conservation easement transaction. This guide is not designed to be all-inclusive. It is not a comprehensive training manual on the valuation of conservation easements....

Overview: To be deductible, donated conservation easements must be legally binding, permanent restrictions on the use, modification and development of property such as parks, wetlands, farmland, forest land, scenic areas, historic land or historic structures. The restrictions on the property must be in perpetuity.

Impact Evaluation in
Practice, Second Edition
The second edition of the
Impact Evaluation in
Practice handbook is a
comprehensive and
accessible introduction to
impact evaluation for policy

makers and development
practitioners. First published
in 2011, it has been used
widely across the
development and academic
communities. The book
incorporates real-world
examples to present practical
guidelines for designing and
implementing impact
evaluations. Readers will
gain an understanding of
impact evaluations and the
best ways to use them to
design evidence-based
policies and programs. The
updated version covers the
newest techniques for
evaluating programs and
includes state-of-the-art
implementation advice, as
well as an expanded set of
examples and case studies
that draw on recent
development challenges. It
also includes new material
on research ethics and
partnerships to conduct

impact evaluation. The handbook is divided into four sections: Part One discusses what to evaluate and why; Part Two presents the main impact evaluation methods; Part Three addresses how to manage impact evaluations; Part Four reviews impact evaluation sampling and data collection. Case studies illustrate different applications of impact evaluations. The book links to complementary instructional material available online, including an applied case as well as questions and answers. The updated second edition will be a valuable resource for the international development community, universities, and policy makers looking to build better evidence around what works in development.

Data Base Directory

One of the major trends in health care is the consolidation of physician practices. To compete effectively for patients and control costs, physicians are either combining into larger groups or deciding to sell their practices to hospitals. The Valuation of Physician Practices and Clinics provides buyers with a basic how to approach to the valuation of physician practices and outlines how sellers can get the most for their money.

Oversight Investigation of the Small Business Administration
This reference book defines hundreds of terms related to buildings, properties, markets, regulations, and appraisal. Specialized sections cover property types, business valuation, international valuation, real estate

organizations and professional designations, legal and regulatory aspects, uniform standards, information technology, measures and conversions, and architecture and construction. The architecture and construction section is heavily illustrated with black-and-white photographs and diagrams. Annotation copyrighted by Book News, Inc., Portland, OR.
