Dawes Review 5: Australian Aboriginal Astronomy and Navigation

Figure 1 shows the dependencies for this situation. The MovieLister class is dependent on both the MovieFinder interface and upon the implementation. We would prefer it if it were only dependent on the interface, but then how do we make an instance to work with? In my book P of EAA, we described this situation as a Plugin. The implementation class for the finder isn't linked into the program at ...

Many people remember Wilfrid Lawson for his definitive Doolittle in the 1938 film version of Bernard Shaw's Pygmalion. But it was as a stage actor that Lawson truly scaled the pinnacles of his art. In 1953 he ended a long absence from London's West End to appear in a production of Strindberg's The Father.
