- A New York Times Bestseller • Former Special Forces officer and New York Times bestselling author Brad Taylor delivers a heart-pounding thriller where Pike Logan's search for a Mossad agent and ally puts him on a collision course with a ruthless military coup in Africa—and tests his loyalties to the Taskforce. It was supposed to be a simple mission. Nothing more than assessing whether a merchant in the fabled Israeli Diamond Exchange was involved in a scheme that could potentially embarrass the state of Israel. But nothing is ever simple in the world of intelligence, as Aaron Bergman—a former

leader of an elite direct action team under the Mossad—should have known. Executing the operation as a contractor, a cutout that gave the State of Israel plausible deniability, he disappears without a trace. Pike Logan and his team know none of this, but he's tracking an American arms dealer in Tel Aviv who may—or may not—be attempting to sell sensitive nuclear weapons components to the highest bidder. When Pike's team breaks up an attempt at killing Shoshana, Aaron's partner, they stumble upon much more than they expected—a concerted conspiracy to topple a democratic African country. Beginning to untangle a web that extends through both the American and Israeli intelligence community, Pike is forced to choose between his Israeli friends and his Taskforce mission, even as the coup begins. But Aaron's disappearance is the one mistake the plotters made. Because Shoshana is the greatest killing machine the Mossad has ever produced, and she will stop at nothing to help Aaron, even if it means killing Pike Logan. *Mary Poppins and the House Next Door* Faber & Faber More magical adventures in the classic series "Mary Poppins." *Blank Journal and Musical Theater Quote* Disney Editions This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. The remarkable life of P.L. Travers, the creator of Mary Poppins. An arresting life...Lawson is superb at excavating the details. – Library Journal The spellbinding stories of Mary Poppins, the quintessentially English and utterly magical nanny, have been loved by generations. She flew into the lives of the unsuspecting Banks family in a children's book that was instantly hailed as a classic, then became a household name when Julie Andrews stepped into the title role in Walt Disney's hugely successful and equally classic film. But the Mary Poppins in the stories was not the cheery film character. She was tart and sharp, plain and vain. She was a remarkable character. The story of Mary Poppins' creator, as this definitive biography reveals, is equally remarkable. The fabulous English nanny was actually conceived by an Australian, Pamela Lyndon Travers, who came to London in 1924 from Queensland as a journalist. She became involved with Theosophy, traveled in the literary circles of W.B. Yeats and T.S. Eliot, and became a disciple of the famed spiritual guru, Gurdjieff. She famously clashed with Walt Disney over the adaptation of the Mary Poppins

books into film. Travers, whom Disney accused of vanity for "thinking you know more about Mary Poppins than I do," was as tart and opinionated as Julie Andrews's big-screen Mary Poppins was cheery. Yet it was a love of mysticism and magic that shaped Travers's life as well as the character of Mary Poppins. The clipped, strict, and ultimately mysterious nanny who emerged from her pen was the creation of someone who remained inscrutable and enigmatic to the end of her ninety-six years. Valerie Lawson's illuminating biography provides the first full look whose personal journey is as intriguing as her beloved characters.
