In Search of Mary Shelley: The Girl Who Wrote

Frankenstein Simon and Schuster

Frankenstein is a unique novel in the canon of English literature. The novel seeks to find the answers to questions that no doubt perplexed Mary Shelley and the readers of her time. Frankenstein, an instant bestseller and an important ancestor of both the horror and science fiction genres, not only tells a terrifying story, but also raises profound, disturbing questions about the very nature of life and the place of humankind within the cosmos: What does it mean to be human? What responsibilities do we have to each other? How far can we go in tampering with Nature?

Jane Eyre HarperCollins

A wildly creative Gothic fantasy retelling of Frankenstein, This Monstrous Thing is a wholly new reimagining of the classic novel by Mary Shelley and is perfect for fans of retellings such as Cinder by Marissa Meyer, fantasy by Libba Bray and Cassandra Clare, and alternative history by Scott Westerfeld. In an alternative fantasy world

where some men are made from clockwork parts and carriages are steam powered, Alasdair Finch, a young mechanic, does the unthinkable after his brother dies: he uses clockwork pieces to bring Oliver back from the dead. But the resurrection does not go as planned, and Oliver returns more monster than man. Even worse, the novel Frankenstein is published and the townsfolk are determined to find the real-life doctor and his monster. With few places to turn for help, the dangers may ultimately bring the brothers together—or ruin them forever.

Mary Shelley's Frankenstein, Annotated and Illustrated Pearson UK

These literary masterpieces are made easy and interesting. This series features classic tales retold with color illustrations to introduce literature to struggling readers. Each 64-page book retains key phrases and quotations from the original classics.

Containing 11 reproducible exercises to maximize vocabulary development and comprehension skills, these guides include pre- and post- reading activities, story synopses, key vocabulary, and answer keys. The guides are digital, you simply print the activities you need for each lesson.

This Monstrous Thing B&H Publishing Group

This study focuses on how Frankenstein works: how the story is told and why it is so rich and gripping. Part I uses carefully selected short extracts for close textual analysis, while Part II examines Shelley's life, the historical and literary contexts of the novel, and offers a sample of key criticism.

Frankenstein (MAXNotes Literature Guides) Saddleback Educational

Publishing

Completely annotated and provided with maps, essays, and chilling illustrations, this unique edition of Mary Shelley's "Frankenstein" answers some of readers' most lingering questions, clarifies historical references, and probes into the sensitive biographical nature of Mary Shelley's landmark novel. One of the most influential masterpieces of horror in the English language, "Frankenstein" straddles science fiction, horror, romance, the weird tale, and the literary allegory. Aside from the monomaniacal student of dark arts, the pensive bride throttled in her uncreased wedding bed, and the dramatic landscapes of Arctic ice fields and alpine vistas,

Frankenstein is the story of poor stewardship, failed fatherhood, lost innocence, painful alienation, social rejection, the entangled relationship between adoring love and septic hatred, and the unfairness of a world which evicts a warm, gentle, curious, and eager spirit based on the casing of its skin. It raises relevant questions of technology, scientific responsibility, racism, sexism, community, environmentalism, progressivism, tolerance, diversity, love, and social responsibility, all wrapped in a psychologically complex, chilling narrative of grave robbing, playing god, murder, necrophilia, sublimated sexuality, and existential horror.

Falkner Illustrated Odyssey Editions

The classic, original story of Doctor Frankenstein and the Creature he brought to life with lightning. This edition includes review questions and exercises to assist readers develop their skills in comprehension and English vocabulary. Also includes a sample lesson based on the story "Ripe Figs" by Kate Chopin.

The Letters of Mary

Wollstonecraft Shelley Research & Education Assoc.

Look for O'Brien's new book, *American Fantastica*, on sale October 24th A classic work of American literature that has not stopped changing minds and

lives since it burst onto the literary scene, *The Things They Carried* is a ground-breaking meditation on war, memory, imagination, and the redemptive power of storytelling. The *Things They Carried* depicts the men of Alpha Company: Jimmy Cross, Henry Dobbins, Rat Kiley, Mitchell Sanders, Norman Bowker, Kiowa, and the character Tim O'Brien, who has survived his tour in Vietnam to become a father and writer at the age of forty-three. Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become required reading for any

American and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. *The Things They Carried* won France's prestigious Prix du Meilleur Livre Etranger and the Chicago Tribune Heartland Prize; it was also a finalist for the Pulitzer Prize and the National Book Critics Circle Award.

York Notes AS/A2: Frankenstein

REA's MAXnotes for Mary Shelley's *Frankenstein* MAXnotes offer a fresh look at masterpieces of literature,

presented in a lively and interesting fashion. Written by literary experts who currently teach the subject, MAXnotes will enhance your understanding and enjoyment of the work. MAXnotes are designed to stimulate independent thought about the literary work by raising various issues and thought-provoking ideas and questions. MAXnotes cover the essentials of what one should know about each work, including an overall summary, character lists, an explanation and discussion of the plot, the work's historical context, illustrations to convey the mood of the work, and a biography of the author. Each chapter is individually summarized and analyzed, and has study questions and answers.

The Things They Carried Lindhardt og Ringhof
D.L. Macdonald and Kathleen Scherf's edition of *Frankenstein* has been widely acclaimed as an outstanding edition of the novel—for the general reader and the student as much as for the scholar. The editors use as their copy-text the original 1818 version, and detail in an appendix all of Shelley's later revisions. They also include a range of contemporary documents that shed light on the historical context from which this unique masterpiece emerged. New to this edition is a

discussion of Percy Shelley's role in contributing to the first draft of the novel. Recent scholarship has provoked considerable interest in the degree to which Percy Shelley contributed to Mary Shelley's original text, and this edition's updated introduction discusses this scholarship. A new appendix also includes Lord Byron's "A Fragment" and John William Polidori's *The Vampyre*, works that are engaging in their own right and that also add further insights into the literary context of *Frankenstein*. *Of Beetles & Angels* Gramwardog LLC Gr 7 Up; Drawing on documented primary sources and modern scholarship, these well-written books separate fact from myth and give readers a detail-rich glimpse into life during the often gruesome Middle Ages. Books are primarily focused on Western Europe, and authors describe both the rigid social and religious structures and the ignorance and brutality that were hallmarks of medieval life. They also explain how innovation and expanded trade with the Middle East brought gradual change, especially in weaponry, warfare, and medicine. Texts are supplemented with sidebars that provide longer primary source excerpts and additional information about related topics. Illustrations, which include a single map of medieval Europe and color reproductions of period art and contemporary photos of

locations and weapons, add little. These books will help readers and report writers understand the reality of medieval life. Good choices for secondary libraries.

The New Annotated Frankenstein

EDCON Publishing Group

Mary Shelley began writing Frankenstein when she was only eighteen. At once a Gothic thriller, a passionate romance, and a cautionary tale about the dangers of science, Frankenstein tells the story of committed science student Victor Frankenstein. Obsessed with discovering the cause of generation and life and bestowing animation upon lifeless matter, Frankenstein assembles a human being from stolen body parts but;

upon bringing it to life, he recoils in horror at the creature's hideousness. Tormented by isolation and loneliness, the once-innocent creature turns to evil and unleashes a campaign of murderous revenge against his creator, Frankenstein. Frankenstein, an instant bestseller and an important ancestor of both the horror and science fiction genres, not only tells a terrifying story, but also raises profound, disturbing questions about the very nature of life and the place of humankind within the cosmos: What does it mean to be human? What responsibilities do we have to each other? How far can we go in tampering with Nature? In our age, filled with news of organ donation

genetic engineering, and bioterrorism, these questions are more relevant than ever.

Frankenstein Createspace

Independent Publishing Platform

Carefully edited for modern readers to allow for easier reading Obsessed with the secret of creation, Swiss scientist Dr. Victor Frankenstein cobbles together a body he's determined to bring to life. And one fateful night, he does. When the creature opens his eyes, the doctor is repulsed: his vision of perfection is, in fact, a hideous monster. Dr. Frankenstein abandons his creation, but the monster won't be ignored, setting in motion a chain of violence and terror that shadows Victor to his death. Mary

Shelley's Frankenstein, a gripping story about the ethics of creation and the consequences of trauma, is one of the most influential Gothic novels in British literature. It is as relevant today as it is haunting.

Grammardog Guide to **Frankenstein** Courier Corporation

Rosina is secretly engaged to Henry, the son of her guardian Sir Peter Vernon. On discovering their relationship, an angry Sir Peter casts her out into the Welsh countryside and to her death. When Henry returns home, he is heartbroken and searches for Rosina's body, only to learn of a villager's

tale about 'The Invisible Girl', famously playing Frankenstein's a ghostly figure that wanders the woods at night. 'The Invisible Girl' (1832) is a short, Gothic, ghost story by the English writer Mary Shelley, famous for her best-selling novel 'Frankenstein'. Mary Shelley (1797-1851) was an English author and travel writer best known for her groundbreaking Gothic novel 'Frankenstein' (1818). Considered one of the first true works of science-fiction, the book became an instant bestseller. It has been adapted for TV, stage and film on many occasions, with Boris Karloff

monster on screen in 1933. Other adaptations include 'Mary Shelley's Frankenstein' (1994) starring Kenneth Branagh and Robert De Niro and 'Viktor Frankenstein' (2015) starring Daniel Radcliffe and James McAvoy. Shelley's other novels include Valperga (1823), The Last Man (1826), Perkin Warbeck (1830), Lodore (1835), Falkner (1837) and the posthumously published Mathilde (1959). However, she will always be remembered as the creator of Frankenstein. The book continues to influence filmmakers, writers and popular culture to this day,

inspiring and terrifying new audiences the world over.

Frankenstein DIWAKAR EDUCATION HUB Stasiland tells true stories of people who heroically resisted the communist dictatorship of East Germany, and of people who worked for its secret police, the Stasi. Internationally hailed as a classic, it is 'fascinating, entertaining, hilarious, horrifying and very important' (Tom Hanks) and 'a heartbreaking, beautifully written book.' (Claire Tomalin). East Germany was one of the most intrusive surveillance states of all time. One in 7 people spied on their friends, family and colleagues. In 'the most humane and sensitive way' (J.M. Coetzee) Funder tells the

true stories of four people who had the extraordinary courage to refuse to collaborate with the Stasi, and the price they paid. She meets Miriam Weber, who was imprisoned at 16 after scaling the Berlin Wall. She drinks with the legendary "Mik Jegger" of the Eastern Bloc who was 'disappeared'. And she finds former Stasi men who defend their regime long past its demise, and yearn for the second coming of Communism. Stasiland won the Samuel Johnson Prize for best non-fiction published in English in 2004. It was a finalist for the Guardian First Book Award, the W.H. Heinemann Award, the Index Freedom of Expression Awards, The Age Book of the Year Awards, the Queensland Premier's Literary Award and the

Adelaide Festival Awards for Literature (Innovation in Writing). It is read in schools and universities in many countries, and has been adapted for CD and the stage by The National Theatre, London.

Frankenstein Liveright Publishing

Coinciding with the 200th anniversary of the publication of *Frankenstein* in 1818, a prize-winning poet delivers a major new biography of Mary Shelley—as she has never been seen before. We know the facts of Mary Shelley's life in some detail—the death of her mother, Mary Wollstonecraft, within days of her birth; the

upbringing in the house of her father, William Godwin, in a house full of radical thinkers, poets, philosophers, and writers; her elopement, at the age of seventeen, with Percy Shelley; the years of peripatetic travel across Europe that followed. But there has been no literary biography written this century, and previous books have ignored the real person—what she actually thought and felt and why she did what she did—despite the fact that Mary and her group of second-generation Romantics were extremely interested in the psychological aspect of life. In

this probing narrative, Fiona Sampson pursues Mary Shelley through her turbulent life, much as Victor Frankenstein tracked his monster across the arctic wastes. Sampson has written a book that finally answers the question of how it was that a nineteen-year-old came to write a novel so dark, mysterious, anguished, and psychologically astute that it continues to resonate two centuries later. No previous biographer has ever truly considered this question, let alone answered it.

Frankenstein - Third Edition

HarperCollins

Two centuries after its

original publication, Mary Shelley's classic tale of gothic horror comes to vivid life in "what may very well be the best presentation of the novel" to date (Guillermo del Toro). "Remarkably, a nineteen-year-old, writing her first novel, penned a tale that combines tragedy, morality, social commentary, and a thoughtful examination of the very nature of knowledge," writes best-selling author Leslie S. Klinger in his foreword to The New Annotated Frankenstein. Despite its undeniable status as one of

the most influential works of fiction ever written, Mary Shelley's novel is often reductively dismissed as the wellspring for tacky monster films or as a cautionary tale about experimental science gone haywire. Now, two centuries after the first publication of *Frankenstein*, Klinger revives Shelley's gothic masterpiece by reproducing her original text with the most lavishly illustrated and comprehensively annotated edition to date. Featuring over 200 illustrations and nearly 1,000 annotations, this sumptuous volume recaptures Shelley's early nineteenth-century world with historical precision and imaginative breadth, tracing the social and political roots of the author's revolutionary brand of Romanticism. Braiding together decades of scholarship with his own keen insights, Klinger recounts *Frankenstein's* indelible contributions to the realms of science fiction, feminist theory, and modern intellectual history—not to mention film history and

popular culture. The result of as the first work of science fiction. The daughter of a pioneering feminist and an Enlightenment philosopher, Shelley lived and wrote at the center of British Romanticism, the "exuberant, young movement" that rebelled against tradition and reason and "with a rebellious scream gave birth to a world of gods and monsters" (del Toro). Following his best-selling *The New Annotated H. P. Lovecraft* and *The New Annotated Sherlock Holmes*, Klinger not only considers Shelley's original 1818 text but, for the first

time in any annotated volume, traces the effects of her significant revisions in the 1823 and 1831 editions. With an afterword by renowned literary scholar Anne K. Mellor, *The New Annotated Frankenstein* celebrates the prescient genius and undying legacy of the world's "first truly modern myth." *The New Annotated Frankenstein* includes: Nearly 1,000 notes that provide information and historical context on every aspect of Frankenstein and of Mary Shelley's life Over 200 illustrations, including

original artwork from the 1831 edition and dozens of photographs of real-world locations that appear in the novel Extensive listings of films and theatrical adaptations An introduction by Guillermo del Toro and an afterword by Anne K. Mellor *Frankenstein Thrift Study Edition* Referencepoint Press "My Hideous Progeny" : Mary Shelley, William Godwin, and the Father-Daughter Relationship is a study of the influence of William Godwin on his daughter, Mary Wollstonecraft Shelley. "My Hideous Progeny" explores

Godwin's unsettling psychological legacy - and his generous intellectual gifts - to his daughter. The relationship between Mary Shelley and her father illustrates a typical pattern of female development and a typical course of father-daughter relationships over a lifetime. Mary Shelley's response to her father's influence is unforgettably portrayed in the figure of the father in the pages of her novels.

My Hideous Progeny Addison-Wesley Longman

Florence. Nov. 9th 1819 It is only four o'clock; but it is

winter and the sun has already set: there are no clouds in the clear, frosty sky to reflect its slant beams, but the air itself is tinged with a slight roseate colour which is again reflected on the snow that covers the ground. I live in a lone cottage on a solitary, wide heath: no voice of life reaches me. I see the desolate plain covered with white, save a few black patches that the noonday sun has made at the top of those sharp pointed hillocks from which the snow, sliding as it fell, lay thinner than on the plain ground: a few birds are pecking at the hard ice that covers the pools-for

the frost has been of long continuance. Mary has here added detail and contrast to the description in F of F-A, in which the passage "save a few black patches... on the plain ground" does not appear. I am in a strange state of mind. The addition of "I am alone... withered me" motivates Mathilda's state of mind and her resolve to write her history. I am alone-quite alone-in the world-the blight of misfortune has passed over me and withered me; I know that I am about to die and I feel happy-joyous.-I feel my pulse; it beats fast: I place my thin hand on my cheek; it burns: there is a slight, quick spirit within me which is now emitting its last sparks. I shall never see the snows of another winter-I do believe that I shall never again feel the vivifying warmth of another summer sun; and it is in this persuasion that I begin to write my tragic history. Perhaps a history such as mine had better die with me, but a feeling that I cannot define leads me on and I am too weak both in body and mind to resist the slightest impulse. While life was strong within me I thought indeed that there was a sacred horror in my tale that rendered it unfit for

utterance, and now about to die for her Gothic novel
I pollute its mystic terrors. It Frankenstein. She also edited

die.Mary Shelley was a British Shelley's achievements. Scholars
novelist, short story writer, have shown increasing interest
dramatist, essayist, biographer, in her literary output,
and travel writer, best known particularly in her novels,

which include the historical novels *Valperga* and *Perkin Warbeck*, the apocalyptic novel *The Last Man*, and her final two novels, *Lodore* and *Falkner*. Studies of her lesser-known works such as the travel book *Rambles in Germany and Italy* and the biographical articles for *Dionysius Lardner's Cabinet Cyclopaedia* support the growing view that Mary Shelley remained a political radical throughout her life. Mary Shelley's works often argue that cooperation and sympathy, particularly as practised by women in the family, were the ways to reform civil society.

This view was a direct challenge to the individualistic Romantic ethos promoted by Percy Shelley and the Enlightenment political theories articulated by her father, William Godwin.
