Essays, discussions, and image portfolios map the evolution of art forms engaged with the Internet. Since the turn of the millennium, the Internet has evolved from what was merely a new medium to a true mass medium—with a deeper and wider cultural reach, greater opportunities for distribution and collaboration, and more complex corporate and political realities. Mapping a loosely chronological series of formative arguments, developments, and happenings, Mass Effect provides an essential guide to understanding the dynamic and ongoing relationship between art and new technologies. Mass Effect brings together nearly forty contributions, including newly commissioned essays and reprints, image portfolios, and transcribed discussion panels and lectures that offer insights and reflections from a wide range of artists, curators, art historians, and bloggers. Among the topics examined are the use of commercial platforms for art practice, what art means in an age of increasing surveillance, and questions surrounding such recent concepts as “postinternet.” Other contributions

analyze and document particular works by the artists of And/Or Gallery, Cory Arcangel, DIS, Cao Fei, the Radical Software Group, and others. Mass Effect relaunches a publication series initiated by the MIT Press and the New Museum in 1984, which produced six defining volumes for the field of contemporary art. These new volumes will build on this historic partnership and reinvigorate the conversation around contemporary culture once again. A Player's Guide for Mass Effect 3 is a walk through guide. When you first begin playing Mass Effect 3, you must make a few decisions. These decisions will affect the gender/sex of Commander Shepard. You can also bring your old character from the previous game. The next decision you have to make will drastically change your experience when playing Mass effect 3. You will have three modes to choose from. They are Action, Role Playing, and Story. Action The Action mode, will allow you to minimize the story side of the Mass Effect 3 universe, there will be no dialogue options or customization options. Story The Story mode, will allow you to experience the depth of Mass Effect 3's storyline with the ability to choose your own dialogues. You will have the option to customize Shepard's appearance and select the class you want. Also in this mode Combat is easier, therefore, allowing you to experience the story to its full extent. Role Playing This is the most famous Mass Effect 3 mode. This mode is for those who want a balanced experience of both Story and Action.. It includes dialogue options and decent combat experience. Unless you choose the Action mode, you will now have the option choose your Psychological Profile and Class. The class you choose will determine the weapons and power

you receive. Psychological Profile affects some minor dialogue options. You will be requested to convene with the committee. The committee will be debating on what step should be taken. But they were too late, European front is under attack and apparently there is no time to prepare. The Reapers have started their invasion already. Therefore, the discussion ends quickly, and you see Reapers appear outside the chambers window...

In the last few years, researchers around the world have increasingly reported the importance of acid-alkaline balance. The Acid-Alkaline Food Guide was designed as an easy-to-follow guide to the most common foods that influence your body's pH level. Now in its Second Edition, this bestseller has been expanded to include many more domestic and international foods. Updated information also explores (and refutes) the myths about pH balance and diet, and guides the reader to supplements that can help the body achieve a healthy pH level. The Acid-Alkaline Food Guide begins by explaining how the acid-alkaline environment of the body is influenced by foods. It then presents a list of thousands of foods and their acid-alkaline effects. Included are not only single foods, such as fruits and vegetables, but also popular combination and even common fast foods. In each case, you'll not only discover whether a food is acidifying or alkalizing, but also learn the degree to which that food affects the body. Informative insets guide you in choosing the food that's right for you. The first book of its kind—now updated and expanded—The Acid-Alkaline Food Guide will quickly become the resource you turn to at home, in restaurants, and whenever you want to select a food that can help you reach your health and dietary goals. Now celebrating the 42nd anniversary of *The Hitchhiker's Guide to the Galaxy*, soon to be a Hulu original series! "Wild satire . . . The feckless protagonist, Arthur Dent, is reminiscent of Vonnegut heroes."—Chicago Tribune The unhappy inhabitants of planet Krikkit are sick of looking at the night sky above their heads—so they plan to destroy it. The universe, that is. Now only five individuals stand between the killer robots of Krikkit and their goal of total annihilation. They are Arthur Dent, a mild-mannered space and time traveler who tries to learn how to fly by throwing himself at the ground and missing; Ford Prefect, his best friend, who decides to go insane to see if he likes it; Slartibartfast, the indomitable vice president of the Campaign for Real Time, who travels in a ship powered by irrational behavior; Zaphod Beeblebrox, the two-headed, three-armed ex-

president of the galaxy; and Trillian, the sexy space cadet who is torn between a persistent Thunder God and a very depressed Beeblebrox. How will it all end? Will it end? Only this stalwart crew knows as they try to avert “universal” Armageddon and save life as we know it—and don’t know it! “Adams is one of those rare treasures: an author who, one senses, has as much fun writing as one has reading.”—Arizona Daily Star
