Hi All, I have a MF 3635 with power shuttle & Loader bought new in 2009. It has been faulty with temp and transmission warning alarms since new. The dealer has not been able to fix under warranty and now is charging big \$ for changing relay's and just trying things it seems without any real idea of what to do.

massey ferguson mf3615 mf3625 mf3635 mf3645 tractor workshop manual engine section not included The manual is dirty but still in good condition. Check our ebay store for more inventories!
