Written by the long-time manager of the renowned Alan Chadwick Garden at the University of California, Santa

Cruz, this substantial, authoritative, and beautiful full-color guide covers everything you need to know about organically growing healthy, bountiful fruit trees. WINNER OF THE AMERICAN HORTICULTURAL SOCIETY BOOK AWARD For more than forty years, Orin Martin has taught thousands of apprentices, students, and home gardeners the art and craft of growing fruit trees organically. In *Fruit Trees for Every Garden*, Orin shares--with hard-

won wisdom and plenty of humor--his recommended fruit varieties and techniques for productive trees, including apple, pear, peach, plum, apricot, nectarine, sweet cherry, orange, lemon, fig, and more. If you crave crisp apples, juicy peaches, or varieties of fruit that can never be found in the store, they are all within reach in your own backyard. Whether you have one tree or a hundred, Orin gives you all the tools you need,

from tree selection and these techniques to planting practices to seasonal feeding guidelines and in-depth pruning tutorials. Along the way, you'll gain a deeper understanding of the core principles of organic gardening and soil stewardship: compost, cultivation, cover crops, and increasing biodiversity for a healthier garden. This book is more than just a gardening manual; it's designed to help you understand the why behind the how, allowing you to apply

your own slice of paradise and make the best choices for your individual trees. Filled with informative illustrations, full-color photography, and evocative intaglio etchings by artist Stephanie Martin, *Fruit Trees for Every Garden* is a striking and practical guide that will enable you to enjoy the great pleasure and beauty of raising homegrown, organic fruit for years to come. *Clicker Training*

Dear Friends, Have you ever considered how many times you intuitively felt that maybe you lost something important or crucial, simply because you unwittingly said or did something which put somebody off? Maybe it was an unfortunate word, bad formulation, inappropriate joke, forgotten name, huge misinterpretation, an awkward conversation or a strange tone of your voice? Maybe you assumed that you knew exactly what a particular concept meant for another person and you stopped asking questions? Maybe you asked so many questions, you practically started an interrogation? Maybe you could not listen carefully or could not stay silent for a moment? How many times have you wanted to achieve something, negotiate better terms or ask for a promotion and failed miserably? It's time to put that to an end with the help of this book. Lack of communication skills is exactly what ruins most peoples' lives. If you don't know how to communicate properly, you are going to have problems both in your intimate and family relationships.
