Lora Leigh does it--in the lair of a strange breed, part man, part wolf, on the hunt for the woman he craves--and needs--to fulfill a hunger clawing at him from within. Angela Knight does it--in the psychic realm of a woman attuned to the touch of strangers--and the powerful temptations of a seductive and mysterious protector. Emma Holly does it--in the fantastic *Demon World* where a powerful Queen rules--until she commits the sin of falling in love with the handsome son of her worst enemy. Diane Whiteside does it--in an alternate universe of Regency magic where two lovers are threatened by a vicious mage, and swept up in a turbulent war off the Cornish cliffs.

Author's Note: *Forever Kiss* was first published in 2004 and has been revised extensively, including added scenes and updated tech. I want to include a warning for those who might be triggered by the sexual assaults committed by the villains. I avoided going into detail and/or cut away from those

scenes before they got truly horrific, but they're certainly implied.
