Mastercam X3 Engraving Manual
Advanced Solutions for Manufacturing | Mastercam
Hi all, I need to engrave some letters into a plastic name plate but X2

wont do it. In V9 I could create letters and do a window contour and engrave stick letters with no problem. In X2 when I do a window contour it only finds closed contours, like O. What am I doing wrong? Did something change b...

Nope, no sign of it in Verify. In reality tho, there was a small line about .010 -.015 wide where it appears that the stock may have been pushing away making it seem thicker than it was. I restarted the program with a worn mill (for experimentation purposes) and slowed the feed to 10% (12IPM) and...
