"Mastering Modern World History" has many interesting illustrations, and also quite a few useful maps. This third edition includes relatively new historical events, for example the collapse of communism. All the same, I wish I could have the 4th edition, that unfortunately hasn't been published yet, because many relevant things have happened ...

Mastering Modern World History 4th Ed Norman
Lowe

'Mastering Modern World History' is a book

which as the name suggests, deals with
elaborating on the events of the modern world.
The book expands on the events that occurred in
the early 20th century starting from the
catastrophic events of the First World War
across the modern advancements in technologies
towards the end of the century.
