--The Onion "...it really seems like the inheritor of 'Calvin and Hobbes.'" --Art Spiegelman "I can't say enough in his favor, so much is my admiration for his work." --Pat Oliphant More than half of our nation's population resides in the 'burbs. Knowingly, Richard Thompson's Cul de Sac follows the antics of four-year-old Alice Otterloop as she navigates her way through life at Blisshaven Preschool, "the scene of [her] daily toil."

Suburbanites across the nation will easily recognize the quirks and conundrums associated with house-lined streets, sidewalk canvases, and magnetified refrigerator art. Instructed by the

proper Miss Bliss, Alice regularly has issues with taking a nap, speaking out of turn, and remembering what a triangle looks like. Helping her through life's ups and downs are her eight-year-old brother Petey, Dad (a.k.a. Peter), and Mom (a.k.a. Madeline), as well as Mr. Danders, the preschool's pompously pedantic guinea pig. This is the strip's first book collection incorporating more than a year's worth of strips dating back to the cartoon's 2007 debut. Thompson has received critical praise for doing a masterful job of commenting on social issues while entertaining in a freshly amusing and unexpected way. *Italian Domestic*

LAPD detective Cassidy
Ryan has been living
with his Dom, Zachary
Teak, for nearly two
and a half of the best
years of his life.
Brought together when
a brutal serial killer
targeted gay members
of Zack's online BDSM
club, the couple think
they've put the past
behind them... that is
until another victim
turns up, murdered in
the same horrible way
as before. When Zack
receives a threatening
note from the killer,
the man convicted of
the crimes becomes the
focus of the
investigation. Cassidy
and Zack are thrown
right back into a
hideous nightmare
which seems to be
getting worse as more
bodies begin piling
up. Just when Cassidy
and his partner think

they've narrowed down the identity of the killer, a surprising twist throws everything off kilter and Cassidy and Zack find the life they've built together unravelling. Zack is a dominant to the core and giving up control to his submissive who insists on protecting him, is a hard thing for the Dom to accept. Cassidy knows the score and protecting Zack is his top priority... even if that means ruffling his Dom's feathers. As the body count rises, so does the tension between the lovers when they turn to each other for comfort. When they find themselves in the monster's sights, the strength of their love will be tested as never before.

His warm, welcoming reminders are wonderfully lighthearted and funny as he brings home Alice's life in a fun, new Cul de Sac collection. Alice and her Blisshaven Preschool classmates charm fans of all ages. Their adventures ring alarmingly true to parents of little ones, too. From doing projects in a whirlwind of crayons and markers to their nonstop chatter to trying to comprehend a completely incomprehensible world, Thompson's characters make Children at Play a must-read. The little boxes crammed together, the shopping malls, and the insane traffic systems set the scene for the storylines and adventures that only suburban life can provide. Thompson's witty dialogue meets comically unique drawings to make Cul de Sac a place worthy of visiting on a daily basis. "I thought the best newspaper comic strips were long gone, and I've never been happier to be wrong. Richard Thompson's Cul de Sac has it all--intelligence, gentle humor, a delightful way with words, and, most surprising of all, wonderful, wonderful drawings." --Bill Watterson, creator of Calvin and Hobbes

With nearly 400 scores to his credit, Ennio Morricone is one of the most prolific and influential film composers working today. In *Composing for the Cinema*, Morricone and musicologist Sergio Miceli present a series of lectures on the composition and analysis of film music. Adapted from several lectures and seminars, these lessons show how sound design can be

analyzed and offer a variety of musical solutions to many different kinds of film.

Drawing upon scores by himself and others, the composer also provides insight into his relationships with many of the directors with whom he has collaborated, including Sergio Leone, Giuseppe Tornatore, Franco Zeffirelli, Warren Beatty, Ridley Scott, Roland Joffé, the Taviani Brothers, and others.
