"With their intellectual brilliance, humor and wonderful eye for detail, Leonard Bernstein's letters blow all biographies out of the water."—The Economist (2013 Book of the Year) Leonard Bernstein was a charismatic and versatile musician—a brilliant conductor who attained international superstar status, and a gifted composer of Broadway musicals (West Side Story), symphonies (Age of Anxiety), choral works (Chichester Psalms), film scores (On the Waterfront), and much more. Bernstein was also an enthusiastic letter writer, and this book is the first to present a wide-ranging selection of his correspondence. The letters have been selected for the insights they offer into the passions of his life—musical and personal—and the extravagant scope of his musical and extra-musical activities. Bernstein's letters tell much about this

complex man, his collaborators, his mentors, and others close to him. His galaxy of correspondents encompassed, among others, Aaron Copland, Stephen Sondheim, Jerome Robbins, Thornton Wilder, Boris Pasternak, Bette Davis, Adolph Green, Jacqueline Kennedy Onassis, and family members including his wife Felicia and his sister Shirley. The majority of these letters have never been published before. They have been carefully chosen to demonstrate the breadth of Bernstein's musical interests, his constant struggle to find the time to compose, his turbulent and complex sexuality, his political activities, and his endless capacity for hard work. Beyond all this, these writings provide a glimpse of the man behind the legends: his humanity, warmth, volatility, intellectual brilliance, wonderful eye for descriptive detail, and humor. "The correspondence from and to the remarkable conductor is full of pleasure and insights."—The New York Times Book Review (Editors' Choice) "Exhaustive, thrilling [and] indispensable."—USA Today (starred review)

I'm a Gemini. Impulsive. Curious. Headstrong. A twin. Heir to a throne I know nothing about. And it turns out, I'm Fae. But of course there's a catch - all I have to do to claim my birth right is prove that I'm the most powerful supernatural in the whole of Solaria. And sure, technically that's true as I'm the daughter of the Savage King. But the bit they didn't put in the brochure was that every single Fae in this Kingdom would claim my throne if they could. The school they've sent me to is both dangerous as sh*t and one helluva party. Vampires bite weaker students in the corridors, the Werewolf pack has orgies in the Wailing Wood at every full moon and don't even get me started on the dark and twisted ways the Sirens use their powers on people's emotions, or how my sinfully tempting Cardinal Magic teacher hosts detentions that leave people needing therapy. Classes are totally interesting if you manage to live through them. And that Gemini star sign I mentioned? It now determines my elemental magic and affects my destiny, so learning astrology is essential if I'm going to beat down my classmates - which is actively encouraged by the way. My biggest problem is the drool worthy Dragon shifter who has his eyes on my throne. He and his three psycho friends are determined to make my time here hell. All I've got to do is survive. But fate might have other ideas. Dammit, why couldn't I have gotten a letter to Hogwarts?

A hardcover boxed set of Chloe Gong's New York Times bestselling *These Violent Delights* and its sequel, *Our Violent Ends*—the lush fantasy duology reimagining Romeo and Juliet in 1920s Shanghai. The year is 1926, and Shanghai hums to the tune of debauchery. A blood feud

between two gangs runs the streets red, leaving the city helpless in the grip of chaos. At the heart of it all is eighteen-year-old Juliette Cai, a former flapper who has returned to assume her role as the proud heir of the Scarlet Gang—a network of criminals far above the law. Their only rivals in power are the White Flowers, who have fought the Scarlets for generations. And behind every move is their heir, Roma Montagov, Juliette's first love...and first betrayal. But something is brewing in the shadows, and as the deaths stack up, Juliette and Roma must set their guns—and grudges—aside and work together, for if they can't stop this mayhem, then there will be no city left for either to rule. This heart-stopping hardcover boxed set includes: *These Violent Delights* *Our Violent Ends* *21st Century Boys: The Perfect Edition, Vol. 1* Scarecrow Press

A heartwarming memoir of a couple who takes in a homeless man and the life-altering effect the experience has on all three of them. For years, "Fisher King Mike" wandered L.A., preaching to his people. On occasion he'd share an open mic night with Michael Konik, who offered a curious and sympathetic ear, particularly when the Fisher King lamented his separation from his wife (who he claimed was Selena Gomez). As the pair began to trust one another, confusion and distance gave way to something that astounded them both. *The Unexpected Guest* gives love profound new dimensions with its story of family, friendship, and the meaning of home. Konik offered food and a pair of pants when his new friend came by, and wondered how much he owed the troubled Fisher King—a question all of America faces with the nation's ongoing homelessness crisis. When Konik and his wife gave Fisher King Mike a place in their home, handy as he turned out to be with household projects, they witnessed a guest become a caretaker. Gone was the man who gave sermons about his supposed estate next door to Kanye West. Gone was the man drifting through life. What each never saw coming was their own transformation and the lessons they'd learn about what it means not only to be good people, but simply to be human. Praise for *The Unexpected Guest* "Heartwarming, compassionate, and well-crafted, *The Unexpected Guest* gives voice to those rarely heard, compels you to look closer when you want to look away, and reveals the joy of caring for others." Pete Earley, *New York Times* – bestselling author of *Crazy: A Father's Search Through America's Mental Health Madness*, 2007 Finalist for the Pulitzer Prize "What a pleasure to read a book that is quick in pace, absent of cynicism, and packed with conversations and stories we desperately need. *The Unexpected Guest* exceeded my already high expectations. Michael Konik does something

that few journalists, let alone politicians even attempt to do. He humanizes the people who are without shelter. I won't be soon forgetting "Fisher King Mike." "Dave Zirin, *The Nation* "A deft meditation on the ordinary magic that happens when you open your heart and home, one small step at a time.

Poignant, timely, compulsively readable. Konik's story of family lingers long after the last page." Jack McCallum, *New York Times* – bestselling author of *Dream Team* "Honest and entertaining, this book forces readers to confront the systems of inequality in which we are all implicated." *Kirkus Reviews* [The Leonard Bernstein Letters](#) DC Comics
