Almost a century ago, Angela Lavigne and Alpha werewolf Knox had a shared passion neither could control. Then

Angela was turned into a vampire and disappeared. The last thing Knox expects is for Angela to show up on his doorstep on a rescue mission, as sexy and irresistible as ever. And he can sense how much she still wants him, too. She's gone against both their species' rules and trespassed on his land. By law he can keep her as long as he wants—and Knox doesn't intend to let her go ever again. As their desire explodes once again, Knox is more sure than ever that he's must claim her forever. But as vampire and

Separated from her son and forced to create a neural implant that will mean the effective enslavement of her psychically gifted race, Ashaya Aleine is the perfect Psy—cool, calm, emotionless...at least on the surface. Inside, she's fighting a desperate battle to save her son and escape the vicious cold of the PsyNet. Yet when escape comes, it leads not to safety, but to the lethal danger of a sniper's embrace. DarkRiver sniper Dorian Christensen lost his sister to a Psy killer. Though

Psy-Changeling Trinity series...

The end of Silence was supposed to create a better world for future generations. But trust is broken, and the alliance between Psy, Changeling, and human is thin. The problems that led to Silence are back in full force.

Because Silence fixed nothing, just hid the problems.

This time, the Psy have to find a real answer to their problems--if one exists. Or their race will soon go extinct in a cascade of

violence. The answer begins with

an empath who is attuned to monsters--and who is going to charm a wolf into loving her despite his own demons.

She's dying because she has not united with her vampire mate and given him his soul that she has been guarding since birth. Ethan finds Brianna and knows he needs to convince her to mate or watch her die. He's waited for her for five hundred years and he has no intention of letting her go, but she is not in any shape for the dominate, volatile mating ceremony with a vampire. He	will have to win the race against time to strengthen Brianna and a battle with a stalking fallen to claim his mate. He is also at war with his mating instincts that make him burn to dominate and conquer her. apartment shared with her boyfriend. As the lone female werewolf in existence, only her secret midnight prowls and her occasional inhuman cravings set her apart. Just one year ago, life was very different. Adopted by the Pack when bitten, Elena had spent years struggling with her resentment at having her life stolen away. Torn between two worlds, and overwhelmed by the new passions coursing through her body, her only option for control was to deny her	awakening needs and escape. But now the Pack has called Elena home to help them fight an alliance of renegade werewolves who are bent on exposing and annihilating the Pack. And although Elena is obliged to rejoin her "family," she vows not to be swept up in Pack life again, no matter how natural it might feel. She has made her choice. Trouble is, she's increasingly uncertain if it's the right one. An erotically charged thriller, Bitten will awaken the	voracious appetite of every reader, as the age-old battle between man and beast, between human and inhuman forces, comes to a head in one small town and within one woman's body. <u>Mongrel Penguin</u> New York Times bestselling author Kelley Armstrong returns with the tenth installment of the Women of the Otherworld series.
