MATH&146-Intro to Statistics (Spring 2015)

I created these resources on WAMAP for students in my online Statistics class

but have now made them available to all Math 146 students. If I am not your

instructor, you're still welcome to use them, but please be aware that your

instructor may have slightly different expectations about which (and how

many) HW problems you should do, exactly how you are allowed to use

calculators on exams, etc.
