In view of the New approach of IIT-JEE (Mains/Advance) , this book provides ample scope to the JEE aspirants to practice conceptual questions in Mathematics. The book

contains 34 chapters and 2 worksheets on graphs, most of the chapters have 2 exercises and the questions format match the pattern of JEE (Mains and Advance). In all the chapters, number of questions are limited to 50-70 with the philosophy of qualitative questions rather than quantitative approach. All the questions are so framed that it covers complete fundamentals of the topic which is needed at IIT-JEE level each question is having some specific purpose to incorporate in this book. This book is primarily a problem solving book and students are suggested to revise all the basics before attempting the questions from any chapter. In mathematics, graphs play an important role in data interpretation and analysis and serve as a tool for understanding the data in pictorial form. In IIT-JEE syllabus graphs are not explicitly mentioned but from the track of past year question papers it can be traced out that graphs play a vital role in answering and interpretation of the analytical and conceptual questions. Keeping in view the importance of graph two worksheets on graph practice are included at the end of this book. Detailed solution and explanation of all the problems is provided in separate solution book to make the problem book handy and problem book is provided with answer key after each chapter. About the Author: Er. L.K. Sharma, an engineering graduate from NIT-Jaipur, is a well known name among the engineering aspirants for the last 18 years. He has been awarded with "BHAMASHAH AWARD" two times for the academic excellence in the state of Rajasthan. He is popular among the student community for

possessing the excellent ability to communicate the scientific concepts in analytical and graphical ways. He has worked with most reputed IIT-JEE/Medical coaching institutes of Delhi and Kota in academic and administrative positions. He had worked as IIT-JEE mathematics faculty with DPS, RK Puram (Delhi) for five years.
