## JOURNAL PROMPT IDEAS TO TEACH GROWTH MINDSET TO KIDS

These math inspired journal writing prompts are not math problems that ask for the child to answer addition questions, for example. Although you will find a few that do. Instead, these prompts encourage creative, abstract thinking using numbers and math as the basis.

Writing Prompts for Math - Tucson Unified School District  
the journal writing with an affective topic would make the students realize that their opinions do matter and would not be as intimidating as a math-ematical topic might be for the first entry. In the beginning, both classes complained about writing journal entries. Some students

declared that writing should not be part of mathematics class, and
