Math Trailblazers - KendallHunt

Math Trailblazers is based on the idea that mathematics is best learned in real-world contexts that are meaningful to children.

Students work collaboratively with their peers to make sense of concepts, while using multiple representations and tools to solve complex problems.

grade, we expect all of our students to be fluent in all of the addition, subtraction,

multiplication, and division

facts. Our research, in a large study of eight schools, indicates that by the end of 4th

grade—whether the students are using a tradi-tional curriculum or Math Trailblazers—virtually all of them do know their facts.
