Envision Math Common Core Reteaching and Practice Workbook, Grade 4 Lorenz Educational Press

Eureka helps students to truly understand math, connect it to the real world, and prepare them to solve problems they haven't encountered before. The team of teachers and mathematicians who created Eureka Math believe that it is not enough for students to know the process for solving a problem; they need to know why that process works. Eureka presents math as a story, one that develops from grades PK through 12. In A Story of Units, our elementary curriculum, this sequencing has joined with the methods of instruction that have been proven to work, in this nation and abroad.

Math Skills Baby Professor (Education Kids)

Spectrum Math for grade 4 keeps kids at the top of their math game using progressive practice, math in everyday settings, and tests to monitor progress. The math workbook covers multiplication,

division, fractions, geometric figures, and preparing for algebra. A best-selling series for well over 15 years, Spectrum still leads the way because it works. It works for parents who want to give their child a leg up in math. It works for teachers who want their students to meet—and surpass—learning goals. And it works to help children build confidence and advance their skills. No matter what subject or grade, Spectrum provides thorough practice and focused instruction to support student success.

Spectrum Critical Thinking for Math, Grade 4 Flash Kids

Ordinary fourth grade students will become experts at multiplication and division with frequent exposure to advanced math equations. Through this workbook, your child will be given the chance for trial and error, and possibly learn from mistakes. This way, the chances of failing at exams will be greatly reduced. Mom and dad, get ready to see better grades soon! *Singapore Math, Grade 4* Carson-Dellosa Publishing

Spectrum Math for grade 1 keeps kids at the top of their math game using progressive practice, math in everyday settings, and tests to monitor progress.
