Check your child's progress with these new format National Curriculum tests. These practice tests are designed to check children's level of understanding at the end of Year 3. Each pack comes with two complete practice tests and an accompanying Guidance and Mark Scheme booklet. These practice tests have a similar look and feel to the new Key Stage 2 Mathematics test, to help familiarise children with both the content and format of these tests. The tests can be used to track progress in school, but can also be used in the home. The Guidance and Mark Scheme provides advice for parents and carers on how to use the tests and how to support children in preparing for them. Scholastic National Curriculum Revision Year 3 is also available, offering children the opportunity to check their progress across the Mathematics curriculum and to develop the skills they need for these national tests.
