Maths School GCSE Maths Problem Solving Exam Question Workbooks have been put together by Maths Teachers to provide students with the level of challenge that can be expected from GCSE examinations. Since the UK Department for Education set out that all GCSE Maths assessments should test reasoning, interpreting and problem solving skills in at least half of the GCSE questions, there has been an increasing demand from students to get access to more content, in order to practice those questions that not just test the skills taught in schools, but those types of questions that assess those reasoning and problem solving skills. Our workbooks offer hundreds of questions all designed to support the practice of those skills and come complete with worked solutions.
