Because the SAT is
a paper test (as
opposed to a
computer test),
it's best to take
the practice tests
on paper. Also,
make sure you do
your scratch work
directly on the
test. Don't get out
separate pieces of
scratch paper to
use since on the
actual test you
won't get any
scratch paper (but
will be allowed to
take notes directly
in your test
booklet).
