Humor, a surprise ending, and an unlikely friendship make Bear and Chicken fall into the ranks with Mo Willems and Dev Petty, and the soup recipe at the end will inspire young chefs to get into the kitchen and cook! When Bear finds a chicken frozen in the winter snow, he brings it home to try to defrost it. As Chicken thaws-um, awakens-he fears that Bear is actually prepping to eat him. Oh no! All signs are pointing to a fateful end for Chicken-being wrapped like a burrito, chopped basil and veggies sitting on the counter, the huge pot on the stove that's just the right size for a chicken to fit inside. It's almost time for lunch, so Chicken makes a run for it! But in the end, Chicken learns that perhaps he too quickly jumped to conclusions. This funny and clever friendship tale teaches kids that things are not always as they seem, while learning a thing or two about making soup with a friend!

The Sailor Who Loved to Draw Bright Connections

Art Workshop for Children is not just another book of straightforward art projects. The book's unique child-led approach provides a framework for cultivating creative thinking and encourages the wonder that comes when children are allowed to freely explore the creative process and their materials. As children work through these open-ended workshops, adults are guided on how to be facilitators who provide questions, encourage deep thinking, and help spark an excitement for discovery. Children explore basic materials and workshops that use minimal supplies, and then gradually add new materials to fill the art cabinets as well as new skills and more complex workshops. Most workshops are suitable to preschool-aged children, and each contains ideas for explorations and new twists to engage older or more experienced artists. Interspersed throughout are sidebar essays that introduce perspectives on mess-making, imperfection, the role of adult, collaborative art, and thoughts on the Reggio Emilia method, a self-guided teaching philosophy. These pieces underscore the value of art-making with children, and support the parent/teacher/care-giver on how to successfully lead, question, and navigate their children through the workshops to result in the fullest experiences.

Dialogues with Auguste Rodin Quarry Books

These three stories celebrate the eye even as they reveal its unexpected proximity to the heart. For if each of A.S. Byatt's narratives is in some way inspired by a painting of Henri Matisse, each is also about the intimate connection between seeing and feeling--about the ways in which a glance we meant to be casual may suddenly call forth the deepest reserves of our being. Beautifully written, intensely observed, The Matisse Stories is fiction of spellbinding authority. "Full of delight and humor...The Matisse Stories is studded with brilliantly apt images and a fine sense for subtleties of conversation and emotion."--San Francisco Chronicle

My First 10 Paintings Chronicle Books

On the 100th anniversary of their deaths, Gustav Klimt and Auguste Rodin are celebrated as two pioneers of modernism who set new standards in their chosen media. Although they worked in different media, Auguste Rodin and Gustav Klimt were two artists whose output generated both incredible enthusiasm and virulent denunciation in their lifetimes. On the centenary of their deaths, in 1917 and 1918 respectively, this opulent volume highlights the remarkable parallels between the

two creators: their passion for the human figure, erotic subject matter, pioneering techniques, and the achievement of international success. In chapters of alternating perspectives, this book features essays on fin-de-sicle Vienna, the phenomenon of artistic celebrity, and a tribute to the two seminal works that each artist gave the same name: The Kiss. Bringing these two masters together for the first time in such a detailed manner, this book captures a significant moment in European culture and demonstrates why their geniuses still speak so profoundly to us today.

Step into the colorful world of Henri Matisse and his magnificent paper cutouts in this biography by acclaimed picture book creator Jeanette Winter. In a small weaving town in France, a young boy named Henri-Emile Matisse drew pictures everywhere, and when he grew up, he moved to Paris and became a famous artist who created paintings that were adored around the world. But late in life a serious illness confined him to a wheelchair, and amazingly, it was from there that he created among his most beloved works—enormous and breathtaking paper cutouts. Based on the life of Henri Matisse, this moving and inspirational picture book biography includes a note from the author, dynamic quotes from Matisse himself, and an illuminating look at a little-known part of a great artist's creative process.

Matisse on Art Chronicle Books

"Painting with scissors" is how Henri Matisse referred to his cut-outs. Produced towards the end of his life, when the artist was confined to a wheelchair, these brilliant bursts of color and form delight to this day as joyous celebrations of life, nature, and boundless creativity.

Discover the world of Henri Matisse through the eyes of his cat, La Puce. Join him and his two companions, Minouche and Coussi, as they spend their days in Matisse's sunny seaside apartment watching the artist create his paintings. As La Puce observes Matisse painting his masterpiece The Cat with the Red Fish, featuring Minouche, he too longs to be the subject of one of his paintings. After Matisse falls ill and can no longer paint standing up, La Puce tries to coax him back into painting by using himself as a model. When an accident happens, La Puce inspires the artist to create again . . . but this time using paper and scissors!

Keenly interested in everything new and free of preconceived notions, children are the ideal viewers of art. "Yves Klein: Into the Blue" is a playful introduction to the work of one of the founding fathers of contemporary art. With its deliberately non-pedagogical tone and unusual design, the book is also a perfect bedtime story featuring key works by the artist along with original photographs and quotations. In Klein's pictures, children experience a wide range of approaches to painting, from a canvas covered completely with plate gold to a radiant blue sponge, to the imprint of a painted woman's body on paper. This book sends art lovers of all ages on a fantastic journey into the world of Yves Klein, following his development from a daydreamer to an artist who invented his own color, which soon became famous: International Klein Blue. The story is told in vivid colors and images, and a blue coloring pad in the cover, attached to a bookmark, encourages young readers to try out their own ideas on paper.

Matisse: Cut Outs - 2011 Prestel Pub

Henri Matisse is one of the leading figures of modern art. His unparalleled cut-outs are among the most significant of any artist's late works. When ill health first prevented Matisse from painting, he began to cut into painted paper with scissors as his primary technique to make maquettes for a number of commissions, from books and stained glass window designs to tapestries and ceramics. Taking the form of a 'studio diary', the catalogue re-examines the cut-outs in terms of the methods and materials that Matisse used, and looks at the tensions in the works between finish and process; and drawings and colour.

Drawing with Scissors : Masterpieces from the Late Years Princeton Architectural Press

When Pigasso met Mootisse, what begins as a neighborly overture escalates into a mess. Before you can say paint-by-numbers, the two artists become fierce rivals, calling each other names and ultimately building a fence between them. But when the two painters paint opposite sides of the fence that divides them, they unknowingly create a modern art masterpiece, and learn it is their friendship that is the true work of art. Nina Laden's wacky illustrations complement this funny story that non only introduces children to two of the world's most extraordinary modern artists, but teaches a very important lesson—how to creatively resolve a conflict—in a most unusual way.
