#1 NEW YORK TIMES BESTSELLER • Millions of people have fallen in love with Auggie Pullman, an ordinary boy with an extraordinary face—who shows us that kindness brings us together no matter how far apart we are. Read the book that

inspired the Choose Kind movement, a major motion picture, and the critically acclaimed graphic novel *White Bird*. And don't miss R.J. Palacio's highly anticipated new novel, *Pony*, available now! I won't describe what I look like. Whatever you're thinking, it's probably worse. August Pullman was born with a facial difference that, up until now, has prevented him from going to a mainstream school. Starting 5th grade at Beecher Prep, he wants nothing more than to be treated as an ordinary kid—but his new classmates can't get past Auggie's extraordinary face. Beginning from Auggie's point of view and expanding to include his classmates, his sister, her boyfriend, and others, the perspectives converge to form a portrait of one community's struggle with empathy, compassion, and acceptance. In a world where bullying among young people is an epidemic, this is a refreshing new narrative full of heart and hope. R.J. Palacio has called her debut novel "a meditation on kindness" —indeed, every reader will come away with a greater appreciation for the simple courage of friendship. Auggie is a hero to root for, a

diamond in the rough who proves that you can't blend in when you were born to stand out.

If you want to learn how to study effectively, improve your grades, and become a better student, then check out HowExpert Guide to Study Skills. Students are under more pressure than ever to perform well in the classroom, write flawless papers, and excel during testing. Sadly, many students struggle in school because they do not know how to succeed in the academic environment. This book seeks to give students the tools they need to succeed. Written by an experienced tutor, this book examines 101 lessons every student needs to be successful. Academic success is not just about taking the right classes; it's also about using the right skills and structures to organize and streamline your learning process. This book examines every aspect of student life, taking you from the beginning of the class through your

final special projects. Students are encouraged to get a planner and are taught how to use it to increase their productivity and success significantly. They are also taught how to take an active part in their education with lessons on the T-zone in classrooms and on nine study skills proven effective through experience. Readers are then taught how to write and speak effectively by managing their information and organizational structures, and they learn key test-taking strategies and tips for managing test anxiety. This book delves into the specifics that every student needs to succeed in their academic ventures, giving them the tools and the support they need to be truly successful. Check out HowExpert Guide to Study Skills now! About the Expert Sarah Fantinel has been a tutor of all ages for five years. She enjoys helping students discover their academic potential and has helped many students improve their grades and pass various standardized tests, including the ACT and the teacher test. Sarah first started tutoring in college because she wanted to help her peers be successful, and tutoring has allowed her to celebrate the little victories of life with her students. Holding degrees in both English and Humanities, Sarah currently lives in Arkansas with her dog and sixteen-year-old cat. When she is not writing or tutoring students, Sarah likes to take walks and explore new burger restaurants. HowExpert publishes quick 'how to' guides on all topics from A to Z by everyday experts. Solutions: Pre-Intermediate: Workbook Open Road Media This is a high quality exam-focused resource to facilitate passage through ICU fellowship examinations. There is

currently no specific competing publication that specifically meets the goals of an examination guide for ICM trainees. This book covers the key components of the exam syllabuses for FCICM, EDIC and DICM, and builds on the ICM component of the previous edition, Examination Intensive Care and Anaesthesia. The book deals with all elements of the individual clinical examinations including performance strategies and provides a chapter on paediatric intensive care. The book is suitable for all trainees in Intensive Care Medicine. Trainees in Anaesthesia, Emergency Medicine, Surgery and Medicine will also find it useful. The print edition includes an accompanying interactive DVD which contains a wealth of supplementary material including a procedures and equipment library, case based scenarios to aid recall of important facts and a summary of important critical care literature
