If we wanted to
report what
Andrew said in his
letter, we might
say something like
this: Andrew said
that when he was
22, he was an
engineering
student in his last
month at
university. He
wanted to travel
abroad after he
had finished his
course at the
university, but he
would need to
earn some money
while he was
abroad so he
wanted to learn to
teach English as a

foreign language.
