A School Library Journal Best Graphic Novel of 2019
A YALSA 2020 Quick Pick for Reluctant Young Adult Readers
A YALSA 2020 Great Graphic Novel for Teens
Sabrina the Teenage Witch meets Roller Girl in this hilarious, one-of-a-kind graphic novel about a half-witch who has just discovered the truth about herself, her family, and her town and is doing her best to survive middle school now that she knows everything! Magic is harder than it looks. Thirteen-year-old Moth Hush loves all things witchy. But she's about to discover that witches aren't just the stuff of movies, books, and spooky stories. When some eighth-grade bullies try to ruin her Halloween,

something really strange happens. It turns out that Founder's Bluff, Massachusetts, has a centuries-old history of witch drama. And, surprise: Moth's family is at the center of it all! When Moth's new powers show up, things get totally out-of-control. She meets a talking cat, falls into an enchanted diary, and unlocks a hidden witch world. Secrets surface from generations past as Moth unravels the complicated legacy at the heart of her town, her family, and herself. In this spellbinding graphic novel debut, Emma Steinkellner spins a story packed with humor and heart about the weird and wonderful adventures of a witch-in-progress.

A Little Bit of need. That Thing You Christmas: For ex-con, Do: All her life, tomboy Cash Bodine, surprising

his sister at Christmas just got complicated. His plan to blow into Crystal Lake and then leave is squashed when a winter storm settles in, stranding him at a motel outside of town. He has no choice but to hunker down and make the best of it, and while the woman next door intrigues him, he has no desire to get tangled up in her life. He's not sticking around past the holidays, so why bother?

Maverick Simon and Schuster

When all hope is gone, can love still find a way? Tucker Simon has given up on love. After a tragedy, it's just not in the cards for him, and he wishes his family would get off his back. He's fine—or at least he thought he

was — until a family wedding forces him to address a few things, namely his date, Abby Mathews. She's been put in the 'friend' category, mostly because she deserves so much more than what he can give. But the more time that he spends with her, Tucker begins to think that maybe there is a chance for love after all... Abby Mathews has been in love with Tucker Simon since he walked into her family's bar nearly a year ago. But he's got baggage and heartache a plenty. His one-night-stands aren't going to lessen that no matter what he thinks. Tucker needs a friend, but Abby wants to give him more, and as they navigate their way through a weekend in Florida, their attraction can't be ignored. Abby has to make a choice. Does she cherish their friendship and take what she

can get? Or does she go after what she really wants, which is Tucker ' s heart...

Simon and Schuster

No longer able to ignore what his conscience is telling him, Spas finally tracks down Maverick and confronts her. With time running out and deaths piling up, can he convince her to turn away from her twisted ideology of salvation? -- VIZ Media

Maverick! Simon and Schuster

This authoritative and anecdote-filled biography of Michael Bloomberg—2020 presidential candidate and one of the richest and famously private/public figures in the country—is a “masterful work...[and] an

absolutely first-rate study of leadership in business, politics, and philanthropy” (Doris Kearns Goodwin, Pulitzer Prize-winning author) from a veteran New York Times reporter. Michael Bloomberg’s life sounds like an exaggerated version of The American Story, except his adventures are real. From modest Jewish middle class (and Eagle Scout) to Harvard MBA to Salomon Brothers hot shot (where he gets “sent upstairs” and later fired) to creator of the Bloomberg terminal, a machine

that would change Wall Street and the financial universe and make him a billionaire, to presidential candidate in 2020, Randolph's account of Bloomberg's life reads almost like a novel. "A vivid, timely study of Bloomberg's brand of plutocracy" (Publishers Weekly), this engaging and insightful biography recounts Mayor Bloomberg's vigorous approach to New York City's care—including his attempts at education reform, anti-smoking and anti-obesity campaigns, climate control, and new developments across the city. After he engineered a surprising third term as Mayor, Bloomberg returned to his business and philanthropies that focused increasingly on cities. The chapter that describes this is one of the most revealing of his temperament and energy and vision as well as how he spends his "private" time that was virtually off-limits even when he was mayor. Bloomberg promised to give away his money before he died, and his giving has focused

on education, gun control, and a fighting climate change. He joined the 2020 presidential campaign as a moderate liberal and spent his millions focused on ousting President Donald Trump.

Genealogical and Personal Memoirs Relating to the Families of the State of Massachusetts

Minotaur Books
Freezing Order, the follow-up to Red Notice, is available now! "[Red Notice] does for investing in Russia and the former Soviet Union what Liar's Poker did for our understanding of Salomon Brothers, Wall Street, and the mortgage-backed securities business in

the 1980s. Browder's business saga meshes well with the story of corruption and murder in Vladimir Putin's Russia, making Red Notice an early candidate for any list of the year's best books" (Fortune). "Part John Grisham-like thriller, part business and political memoir." -The New York Times This is a story about an accidental activist. Bill Browder started out his adult life as the Wall Street maverick whose instincts led him to Russia just after the breakup of the Soviet Union, where he made his fortune. Along the way he exposed corruption, and when he did, he barely escaped with his life. His Russian lawyer Sergei Magnitsky wasn't so lucky: he ended up in jail,

where he was tortured to death. That changed Browder forever. He saw the murderous heart of the Putin regime and has spent the last half decade on a campaign to expose it. Because of that, he became Putin's number one enemy, especially after Browder succeeded in having a law passed in the United States—The Magnitsky Act—that punishes a list of Russians implicated in the lawyer's murder. Putin famously retaliated with a law that bans Americans from adopting Russian orphans. A financial caper, a crime thriller, and a political crusade, *Red Notice* is the story of one man taking on overpowering odds to change the world, and also the story of how,

without intending to, he found meaning in his life.

Collide Simon & Schuster

A group of silly superheroes—a bean, a chip, a tomato, and a wedge of cheddar cheese—come to the rescue of a hungry kid stuck at school in this first book in the silly and adventurous graphic novel chapter book series *The Hunger Heroes!* Meet the Hunger Heroes: Toots the Bean, Chip Ninja, Tammy the Tomato, and Leonard, a wedge of cheddar cheese, ready to save kids—even cranky, annoying ones—all over the world while flying around in their taco

hovercraft! It's a typical Monday when the Hunger Heroes get the call: a kid in Ms. Sternbladder's class missed breakfast and isn't allowed to have snacks! How will he pass his math test, study for spelling, or play soccer at recess if his stomach is growling out of control? Hunger Heroes to the rescue!

A reformer who was always colorful, provocative, and controversial, Dan Walker became a political maverick, taking on Mayor Richard J. Daley's vaunted Chicago machine and the powerful incumbent Richard Ogilvie to become the governor of Illinois. The Maverick and the Machine tells the dramatic story of Walker's rise from dirt-poor beginnings to the pinnacle of power in Illinois and his conviction on charges of bank fraud that landed him in federal prison. This frank volume also probes the inner sanctum of the governorship and reviews the investigations of Governor Blagojevich's administration and the criminal trial of former governor George Ryan. Best

Memoir of 2008, San Diego Book Awards Illinois State Historical Society Certificate of Excellence, 2008

Endless Frontier VIZ Media LLC

A prodigiously researched biography of Vannevar Bush, one of America's most awe-inspiring polymaths and the secret force behind the biggest technological breakthroughs of the twentieth century.

As the inventor and public entrepreneur who launched the Manhattan Project, helped to create the military-industrial complex, conceived a permanent system of government support for science and engineering, and

anticipated both the personal computer and the Internet, Vannevar Bush is the twentieth century's Ben Franklin. In this engaging look at one of America's most awe-inspiring polymaths, writer G. Pascal Zachary brings to life an American original—a man of his time, ours, and beyond. Zachary details how Bush cofounded Raytheon and helped build one of the most powerful early computers in the world at MIT. During World War II, he served as Roosevelt's adviser and chief contact on all matters of military technology, including the atomic bomb. He launched the Manhattan Project and

oversaw a collection of 6,000 civilian scientists who designed scores of new weapons. After the war, his attention turned to the future. He wrote essays that anticipated the rise of the Internet and boldly equated national security with research strength, outlining a system of permanent federal funding for university research that endures to this day. However, Bush's hopeful vision of science and technology was leavened by an understanding of the darker possibilities. While cheering after witnessing the Trinity atomic test, he warned against the

perils of a nuclear arms race. He led a secret appeal to convince President Truman not to test the Hydrogen Bomb and campaigned against the Red Scare. Elegantly and expertly relayed by Zachary, Vannevar's story is a grand tour of the digital leviathan we know as the modern American life.

Cooper Macmillan
A definitive portrait of the scientific visionary who has influenced fields ranging from quantum physics and national defense to space and religion describes his relationships with leading world thinkers and documents his

contributions to nuclear rocket technology, the Nuclear Test Ban Treaty and other world-changing endeavors. 40,000 first printing.

Love, Gudrun

Ensslin Simon and Schuster

One night with the wrong woman can change your life... Jack Simon's road to the White House has been a smooth one until a night with the notorious Donovan James

becomes a roadblock he can't escape.

Suddenly he's

America's number one story and it has nothing to do with politics.

Jack's tangled with

this woman before and knows they're

no good together because the only thing they're good for is a four letter word...hurt.

He should get on with his life and concentrate on his job. But that's

hard to do when the one thing standing in his way, is the one thing he wants the most... Donovan

James, international singing sensation, has made a living

singing songs about heartache and pain, two things she grew up on. But it's time to set down some roots and the only man she wants is a man she's all wrong for. A man she's never stopped loving—Jack Simon. They'd had it all once, until they didn't. And yet she can't help but wonder if a second shot together just might be the game changer she needs. Or if old secrets can still ruin the only man she's ever loved...

Grace Wednesday

Books

He runs, she hides.

No one can do it forever... Most of

America think they have Cooper Simon figured out—he's the playboy with no morals and a taste for married women. Cooper's fine with that because he's got secrets he'd rather keep buried. Who knew that spending a few months in Fisherman's Landing would screw with his head. Or meeting a woman unlike any he's met before, would be the key to unraveling all of his secrets...and maybe his heart. After a horrific accident Morgan Campbell is grateful to be alive. So what if her life didn't turn out the way it was supposed to? She lives quietly and keeps to herself. But meeting the most

SIU Press
In this revelatory,
authoritative
portrait of Donald
J. Trump and the
toxic family that
made him, Mary L.
Trump, a trained
clinical
psychologist and
Donald's only
niece, shines a
bright light on the
dark history of
their family in
order to explain
how her uncle

became the man who now threatens the world's health, economic security, and social fabric. Mary Trump spent much of her childhood in her grandparents' large, imposing house in the heart of Queens, New York, where Donald and his four siblings grew up. She describes a nightmare of traumas, destructive relationships, and a tragic combination of neglect and abuse. She explains how specific events and general family patterns created the damaged man who

currently occupies the Oval Office, including the strange and harmful relationship between Fred Trump and his two oldest sons, Fred Jr. and Donald. A firsthand witness to countless holiday meals and interactions, Mary brings an incisive wit and unexpected humor to sometimes grim, often confounding family events. She recounts in unsparing detail everything from her uncle Donald's place in the family spotlight and Ivana's penchant for regifting to her grandmother's

frequent injuries and illnesses and the appalling way Donald, Fred Trump's favorite son, dismissed and derided him when he began to succumb to Alzheimer's. Numerous pundits, armchair psychologists, and journalists have sought to parse Donald J. Trump's lethal flaws. Mary L. Trump has the education, insight, and intimate familiarity needed to reveal what makes Donald, and the rest of her clan, tick. She alone can recount this fascinating, unnerving saga, not just because of her

insider's perspective but also because she is the only Trump willing to tell the truth about one of the world's most powerful and dysfunctional families.

Time to Hunt Juliana Stone Publishing
New York Times bestselling author Rainbow Rowell's epic fantasy, the Simon Snow trilogy, concludes with *Any Way the Wind Blows*. In *Carry On*, Simon Snow and his friends realized that everything they thought they

understood about the world might be wrong. And in *Wayward Son*, they wondered whether everything they understood about themselves might be wrong. In *Any Way the Wind Blows*, Simon and Baz and Penelope and Agatha have to decide how to move forward. For Simon, that means deciding whether he still wants to be part of the World of Mages – and if he doesn't, what does that mean for his relationship with Baz? Meanwhile Baz is bouncing between two family crises and not finding any time to talk to anyone about his newfound vampire knowledge. Penelope would love to help, but she's smuggled an American Normal into London, and now she isn't sure what to do with him. And Agatha?

Well, Agatha Wellbelove has had enough. Any Way the Wind Blows takes the gang back to England, back to Watford, and back to their families for their longest and most emotionally wrenching adventure yet. This book is a finale. It tells secrets and answers questions and lays ghosts to rest. Carry On was conceived as a book about Chosen One stories; Any Way the Wind Blows is an ending about endings. About catharsis and closure, and how we choose to move on from the traumas and triumphs that try to define us.
