For fans of *The Okay Witch* and *Fake Blood*, this hilarious middle grade graphic novel follows a half-vampire, half-lumberjack boy who feels torn between his parents and just wants to be a dancer. Jack is in a pickle. His lumberjack mom wants him to go to *Mighty Log Lumberjack Prep* to learn how to chop wood and wear flannel. His vampire dad wants him to go to *Sorrow's Gloom Vampire School* to learn how to turn

into a bat and drink blood-orange juice. And Jack has a secret: what he really wants to do is dance. When he finds out about *Tip Tap Twinkle Toes Dance Academy* from new friend Plenty, Jack feels he's finally found the place where he can be his true self. But he's too afraid of disappointing his family to tell them. What's a half-lumberjack, half-vampire boy to do? To summon the confidence to pursue his dreams, Jack will have to embrace every part of himself—his lumberjack

toughness, his vampire eeriness, and most especially his awesome dance moves. *Lumberjackula* Simon & Schuster Books for Young Readers
Hot in Chicago series author Kate Meader returns with her all new, scorching *Chicago Rebels* hockey series, featuring her signature "steamy sex scenes, colorful characters, and riveting dialogue" (*Romantic Times*). Three estranged sisters inherit their late father's failing

hockey franchise and are forced to confront a man's world, their family's demons, and the battle-hardened ice warriors skating into their hearts. Harper Chase has just become the most powerful woman in the NHL after the death of her father Clifford Chase, maverick owner of the Chicago Rebels. But the team is a hot mess—underfunded, overweight, and close to tapping out of the league. Hell-bent on turning the luckless franchise around,

Harper won't let anything stand in her way. Not her gender, not her sisters, and especially not a veteran player with an attitude problem and a smoldering gaze designed to melt her ice-compacted defenses. Veteran center Remy "Jinx" DuPre is on the downside of a career that's seen him win big sponsorships, fans' hearts, and more than a few notches on his stick. Only one goal has eluded him: the Stanley Cup. Sure, he's been labeled as the

unluckiest guy in the league, but with his recent streak of good play, he knows this is his year. So why the hell is he being shunted off to a failing hockey franchise run by a ball-buster in heels? And is she seriously expecting him to lead her band of misfit losers to a coveted spot in the playoffs? He'd have a better chance of leading Harper on a merry skate to his bed...

The biography of one of most inventive, courageous, and brilliant thinkers of our time, who worked for the Pentagon and NASA, helped write the Nuclear Test Ban Treaty, and assisted Stanley Kubrick with 2001: A Space Odyssey.

Scientist. Innovator. Rebel. For decades, Freeman Dyson has been regarded as one of the world's most important thinkers. The Atlantic wrote, "In the range of his genius, Freeman Dyson is heir to Einstein – a visionary who has reshaped thinking in fields from math to astrophysics to medicine, and who has

conceived nuclear-propelled spaceships designed to transport human colonists to distance planets." Salon.com says that, "what sets Dyson apart among an elite group of scientists is the conscience and compassion he brings to his work." Now, in this first complete biography of Dyson, author Phillip F. Schewe examines the life of a man whose accomplishments have shaped our world in many ways. From quantum physics to national defense, from space to biotechnology, Dyson's work has cemented his position as a man whose influence goes far

beyond the field of theoretical physics. It even won him the million dollar Templeton prize for his writing about science and religion. Recently, Dyson has made headlines for his controversial views on global warming, and he continues to make waves in the science community to this day. A colleague of Albert Einstein at Princeton and friends with leading thinkers including Robert Oppenheimer, George F. Kennan, and Richard Feynman, Freeman Dyson is a larger-than-life figure. Many of his colleagues, including Nobelists Steven Weinberg and

Frank Wilczek, as well as his wives and his children, Esther and George Dyson, have been interviewed for this book. Maverick Genius, Schewe's definitive biography, paints a compelling and vibrant portrait of a man who has been both praised for his genius and criticized for his unorthodox views.

He runs, she hides. No one can do it forever... Most of America think

they have Cooper Simon figured out—he's the playboy with no morals and a taste for married women. Cooper's fine with that because he's got secrets he'd rather keep buried. Who knew that spending a few months in Fisherman's Landing would screw with his head. Or meeting a woman unlike any he's met before, would be the key to unraveling all of his secrets...and maybe his heart. After a horrific accident Morgan Campbell

is grateful to be alive. So what if her life didn't turn out the way it was supposed to? She lives quietly and keeps to herself. But meeting the most arrogant, infuriating, and sexy man will turn her world upside down. Because not only is Cooper Simon out of her league, he'd never be interested in someone like her. Can she be brave enough to step out of the box and reclaim the woman she once was? Or is she doomed to live in

the shadows forever...

Love, Gudrun Ensslin

Bestselling author Jennet
Conant brings us a stunning
account of Julia and Paul
Child's experiences as
members of the Office of
Strategic Services (OSS) in
the Far East during World War
II and the tumultuous years
when they were caught up in
the McCarthy Red spy hunt in
the 1950s and behaved with
bravery and honor. It is the
fascinating portrait of a group
of idealistic men and women
who were recruited by the
citizen spy service, slapped
into uniform, and dispatched to
wage political warfare in

remote outposts in Ceylon,
India, and China. The eager,
inexperienced 6 foot 2 inch
Julia springs to life in these
pages, a gangly golf-playing
California girl who had never
been farther abroad than
Tijuana. Single and thirty years
old when she joined the staff of
Colonel William Donovan, Julia
volunteered to be part of the
OSS's ambitious mission to
develop a secret intelligence
network across Southeast
Asia. Her first post took her to
the mountaintop idyll of Kandy,
the headquarters of Admiral
Lord Louis Mountbatten, the
supreme commander of
combined operations. Julia
reveled in the glamour and

intrigue of her overseas
assignment and lifealtering
romance with the much older
and more sophisticated Paul
Child, who took her on trips
into the jungle, introduced her
to the joys of curry, and
insisted on educating both her
mind and palate. A painter
drafted to build war rooms,
Paul was a colorful, complex
personality. Conant uses
extracts from his letters in
which his sharp eye and droll
wit capture the day-to-day
confusion, excitement, and
improbability of being part of a
cloak- and-dagger operation.
When Julia and Paul were
transferred to Kunming, a
rugged outpost at the foot of

the Burma Road, they witnessed the chaotic end of the war in China and the beginnings of the Communist revolution that would shake the world. *A Covert Affair* chronicles their friendship with a brilliant and eccentric array of OSS agents, including Jane Foster, a wealthy, free-spirited artist, and Elizabeth MacDonald, an adventurous young reporter. In Paris after the war, Julia and Paul remained close to their intelligence colleagues as they struggled to start new lives, only to find themselves drawn into a far more terrifying spy drama. Relying on recently unclassified OSS and FBI

documents, as well as previously unpublished letters and diaries, Conant vividly depicts a dangerous time in American history, when those who served their country suddenly found themselves called to account for their unpopular opinions and personal relationships. *Red Notice* Minotaur Books A ghost and a kid team up to solve mysteries and kick butt! A hilarious new graphic novel series for fans of *Bad Guys* and *Dog Man*. Welcome to the world of Simon and Chester, ghost and boy duo extraordinaire. They like to kick butt and take names. They don't like chores. They

are best friends. And they are about to solve the MYSTERY OF A LIFETIME. (Oh, and eat some snacks probably.) Join Simon and Chester in their first adventure, and fall in love with this hilarious odd couple by fan favorite author and illustrator Cale Atkinson.

Sometimes the best place to find love is right back where you started...

Falling asleep in a different bed every night has made it easy for Cain Black to forget his past.

It's been ten years since he packed his guitar and left Crystal Lake, Michigan, to chase his dreams. Now tragedy has forced him home again. And though Cain relishes the freedom of the road, one stolen moment with Maggie O'Rourke makes him wonder if he's missing out on something bigger than fame. For Maggie—single mother and newly settled in Crystal Lake—love is a luxury she just can't afford. Sure, she appreciates the tall, dark and handsome

helooks of prodigal son Cain Black. But how long can she expect the notorious hellion to stay? The last thing either of them wants is something complicated. But sometimes love has its own plans. Bad Boys of Crystal Lake series: The Summer He Came Home The Christmas He Loved Her The Day He Kissed Her "Everything I love in a book: A hot and tender romance and a bad-boy hero to die for!" — Molly O'Keefe, author of Can't Buy Me Love

The Garner Files Simon and Schuster
New York Times bestselling

author Rainbow Rowell's epic fantasy, the Simon Snow trilogy, concludes with *Any Way the Wind Blows*. In *Carry On*, Simon Snow and his friends realized that everything they thought they understood about the world might be wrong. And in *Wayward Son*, they wondered whether everything they understood about themselves might be wrong. Now, Simon and Baz and Penelope and Agatha must decide how to move forward. For Simon, that means choosing whether he still wants to be part of the

World of Mages — and if he doesn't, what does that mean for his relationship with Baz? Meanwhile Baz is bouncing between two family crises and not finding any time to talk to anyone about his newfound vampire knowledge. Penelope would love to help, but she's smuggled an American Normal into London, and now she isn't sure what to do with him. And Agatha? Well, Agatha Wellbelove has had enough. *Any Way the Wind Blows* takes the gang back to England, back to Watford, and back to their families for

their longest and most emotionally wrenching adventure yet. This book is a finale. It tells secrets and answers questions and lays ghosts to rest. The Simon Snow Trilogy was conceived as a book about Chosen One stories; *Any Way the Wind Blows* is an ending about endings—about catharsis and closure, and how we choose to move on from the traumas and triumphs that try to define us.

Tucker HarperCollins UK
Maverick Simon lost his mojo somewhere between

the last film he scored and a nasty break-up with one of Hollywood's elite. Burnt out, a vacation is just what this California boy needs. His brother's empty house in Maine offers the perfect sanctuary. But plans go awry when he meets a woman who rocks his world in more ways than one. She's not his usual type—she's edgy, opinionated, and downright rude. But something about the prickly Charlie Samuels sparks his interest.

Maverick must decide if that something is exactly what he needs, or if the smokin' hot chemistry they share is nothing more than a vacation fling... Charlie Samuels had always dreamed of leaving her small New England town for something bigger. But that dream disappeared the day her father died, leaving her to raise her younger brother and keep the family business afloat. Now a mechanic, she's knee deep in grease and oil,

and with a pile of bills to pay, has no time for someone like Maverick Simon—a guy who's just passing through. She can't deny the tall, brooding, sexy-as-sin, Maverick, causes her pulse to race, but she knows that he's way out of her league. So why is she contemplating an affair? Especially when she knows that Maverick Simon could cost her more than she's willing to give, namely, her heart... *Super Sleepover!* (Simon

and Chester Book #2)

The Okay Witch

AMACOM

When all hope is gone, can love still find a way? Tucker Simon has given up on love. After a tragedy, it's just not in the cards for him, and he wishes his family would get off his back. He's fine—or at least he thought he was—until a family wedding forces him to address a few things,

namely his date, Abby Mathews. She's been put in the 'friend' category, mostly because she deserves so much more than what he can give. But the more time that he spends with her, Tucker begins to think that maybe there is a chance for love after all... Abby Mathews has been in love with Tucker Simon since he walked into her family's bar nearly a year ago. But he's got baggage and heartache a plenty. His one-night-stands aren't

going to lessen that no matter what he thinks. Tucker needs a friend, but Abby wants to give him more, and as they navigate their way through a weekend in Florida, their attraction can't be ignored. Abby has to make a choice. Does she cherish their friendship and take what she can get? Or does she go after what she really wants, which is Tucker's heart... [Death of the Demon](#) Tundra Books
The Hollywood veteran

traces the story of his life and through. Honest, generous, Rogers lived in both the career, from his abuse- and most of all, shadow and the thrall of marked, Depression-era courageous.' Markus his famous father, and childhood and his military Zusak, bestselling author their complex relationship service to his favorite behind- of The Book Thief Mat shaped him in ways he the-scenes memories and Rogers is an Aussie footy couldn't fathom. Craving his relationships with legend and TV star who paternal acceptance while numerous celebrities. has triumphed over determined to carve out

Cooper Juliana Stone
Publishing

'A book about humanity as much as sport. It's like sitting at the kitchen table with your best mate and he's pouring his heart out – about his life, his loss, his triumphs and his faults ... and the love that got him

heartache. He is finally ready to share his powerful life story. He is one of the most talented footballers of the modern era and a dual international in rugby league and rugby union. But for a long time, Mat

to avoid repeating the sins of the father, he veered between periods of jubilation and depression, fulfilment and despair. Now, in his majestic, evocative autobiography, Rogers tells the story of a life framed by triumph and

tragedy, a life in which, ultimately, he finds purpose and contentment in a harsh world. With its cracking pace and unvarnished frankness, *A Father's Son* will be widely read and difficult to forget. Though by and about a celebrated footballer, it is so much more than another athlete's memoirs. In spare, vivid prose, Rogers reveals how his teenage years were marked by periods of rebellion and self-destructive behaviour.

Then, at age 20, he became a father to son Jack before he had finished his own journey into adulthood. By 22, he was married to first wife Michelle with another child, daughter Skyla, following shortly after. As well as discussing the experience of having a family while still a young man, Rogers also recounts the challenges that have defined his life off the sports field – the impact of losing both his parents in tragic

circumstances and the experimental neck surgery he underwent in 2007, ending years of debilitating pain. Rogers' story is one of a man who rises to the difficulties life sends his way. The discovery that his son Max is autistic prompted him and second wife Chloe to co-found charity 4 ASD Kids – and he talks passionately about the work he has done to raise awareness of a subject so close to home. That fighting spirit introduced Rogers to an

even greater number of Australians who watched the sporting legend thrive on Australian Survivor. Across two memorable appearances on the reality TV series, he impressed viewers with his ability to combine his competitive spirit with his desire to play with heart. That duality, which defines Rogers' life, shines through in *A Father's Son*. 'I couldn't put this down. Mat shares his story with so much honesty and openness. I was overcome

with emotion and such deep respect for Mat and the person, father and role model that he is.' Sally Obermeder, author and presenter

Report of the Librarian of the State Library of

Massachusetts Penguin
This authoritative and anecdote-filled biography of Michael Bloomberg—2020 presidential candidate and one of the richest and famously private/public figures in the country—is a “masterful work...[and] an absolutely first-rate study of leadership in business,

politics, and philanthropy” (Doris Kearns Goodwin, Pulitzer Prize-winning author) from a veteran New York Times reporter. Michael Bloomberg's life sounds like an exaggerated version of *The American Story*, except his adventures are real. From modest Jewish middle class (and Eagle Scout) to Harvard MBA to Salomon Brothers hot shot (where he gets “sent upstairs” and later fired) to creator of the Bloomberg terminal, a machine that would change Wall Street and the financial universe and make him a

billionaire, to presidential candidate in 2020, Randolph's account of Bloomberg's life reads almost like a novel. "A vivid, timely study of Bloomberg's brand of plutocracy" (Publishers Weekly), this engaging and insightful biography recounts Mayor Bloomberg's vigorous approach to New York City's care—including his attempts at education reform, anti-smoking and anti-obesity campaigns, climate control, and new developments across the city. After he engineered a

surprising third term as Mayor, Bloomberg returned to his business and philanthropies that focused increasingly on cities. The chapter that describes this is one of the most revealing of his temperament and energy and vision as well as how he spends his "private" time that was virtually off-limits even when he was mayor. Bloomberg promised to give away his money before he died, and his giving has focused on education, gun control, and a fighting climate change. He joined the 2020 presidential

campaign as a moderate liberal and spent his millions focused on ousting President Donald Trump. *The Summer He Came Home* Simon and Schuster The International Bestseller That Tells How Semler Tore Up The Rule Books - And Defied Inflation Running At Up To 900% Per Year!- Workers Make Decisions Previously Made By Their Bosses- Managerial Staff Set Their Own Salaries And Bonuses - Everyone

A National Book Award Finalist, this remarkable graphic novel is about growing up in a refugee camp, as told by a former Somali refugee to the Newbery Honor-winning creator of Roller Girl. Omar and his younger brother, Hassan, have spent most of their lives in Dadaab, a refugee camp in Kenya. Life is hard there: never enough food, achingly dull, and without access to the medical care Omar knows his nonverbal brother needs. So when Omar has the opportunity to go to school, he knows it might be a chance to change their future . . . but it would also mean leaving his brother, the only

family member he has left,
every day. Heartbreak, hope,
and gentle humor exist
together in this graphic novel
about a childhood spent
waiting, and a young man who
is able to create a sense of
family and home in the most
difficult of settings. It's an
intimate, important,
unforgettable look at the day-to-
day life of a refugee, as told to
