Let us begin BANKER BINGO. One banker per month will be assassinated unless the government takes practical steps to reduce the widening deficit between the rich and the poor. This is the threat made by maverick anarchist billionaire, Rory Carlisle, which is intended to be carried out by ex-Baader Meinhof operative, Georg Krendler. Rory Carlisle is wealthy beyond

imagination, a killer, ruthless, and about to begin the most insidious darknet anarchy of our digital age. Georg Krendler was in with Baader Meinhof, he loved Gudrun Ensslin, he was there when they stood together against the system ruling and ruining Germany. He

The Maverick and the Machine Juliana Stone Publishing  
A reformer who was always colorful, provocative, and controversial, Dan Walker became a political maverick, taking on Mayor Richard J. Daley ' s vaunted Chicago machine and the powerful incumbent Richard Ogilvie to become the governor of Illinois. The Maverick and the Machine tells the dramatic story of Walker ' s rise from dirt-poor beginnings to the pinnacle of power in Illinois and his conviction on charges of bank fraud that landed him in federal prison. This frank volume also probes the inner sanctum of the governorship and reviews the investigations of

"[A]n homage to true love, painful childhood experiences, and emotional scars that last a lifetime. It's a story of forgiveness, especially for one's self...Extraordinary."

—The Washington Post From "America's librarian" and NPR books commentator Nancy Pearl comes an emotionally riveting debut novel about an unlikely marriage at a crossroads. George and Lizzie have radically different understandings of what love and marriage should be. George grew up in a warm and loving family—his father an orthodontist, his mother a stay-at-home mom—while Lizzie grew up as the only child of two famous psychologists, who viewed her more as an in-house experiment than a child to love. Over the course of their marriage, nothing has changed—George is happy; Lizzie remains...unfulfilled. When a shameful secret from Lizzie's past resurfaces, she'll need to face her fears in order to accept the true nature of the relationship she and George have built over a decade together.

With pitch-perfect prose and compassion and humor to spare, *George and Lizzie* is an intimate story of new and past loves, the scars of childhood, and an imperfect marriage at its defining moments.

*Gangsta: Cursed.* Harper Collins

Dale Carnegie (1888-1955) was an American writer and lecturer and the developer of famous courses in self-improvement, salesmanship, corporate training, public speaking, and interpersonal skills. Born into poverty on a farm in Missouri, he was the author of *How to Win Friends and Influence People* (1936), a massive bestseller that remains popular today. Super Detectives! (Simon and Chester Book #1) Wednesday Books

---

A prodigiously researched biography of Vannevar Bush, one of America's most awe-inspiring polymaths and the secret force behind the biggest technological breakthroughs of the twentieth century. As the inventor and public entrepreneur who launched the Manhattan Project, helped to create the military-industrial complex, conceived a permanent system of government support for science and engineering, and anticipated both the personal computer and the Internet, Vannevar Bush is the twentieth century's Ben Franklin. In this engaging look at one of America's most awe-inspiring polymaths, writer G. Zachary brings to life an American original—a man of his time, ours, and beyond. Zachary details how Bush cofounded Raytheon and helped build one of the most powerful early computers in the world at MIT. During World War II, he served as Roosevelt's adviser and chief contact on all matters of military technology, including the atomic bomb. He launched the Manhattan Project and oversaw a collection of 6,000 civilian scientists who designed scores of new weapons. After the war, his attention turned to the future. He wrote essays that anticipated the rise of the Internet and boldly equated national security with research strength, outlining a system of permanent federal funding for university research that endures to this day. However, Bush's hopeful vision of science and technology was leavened by an understanding of the darker possibilities. While cheering after witnessing the Trinity atomic test, he warned against the perils of a nuclear arms race. He led a secret appeal to convince President Truman not to test the Hydrogen Bomb and campaigned against the Red Scare. Elegantly and expertly relayed by Zachary, Vannevar's story is a grand tour of the digital leviathan we know as the modern American life.

Freezing Order, the follow-up to Red Notice, is available now! "[Red Notice] does for investing in Russia and the former Soviet Union what Liar's Poker did for our understanding of Salomon Brothers, Wall Street, and the mortgage-backed securities business in the 1980s. Browder's business saga meshes well with the story of corruption and murder in Vladimir Putin's Russia, making Red Notice an early candidate for any list of the year's best books" (Fortune). "Part John Grisham-like thriller, part business and political memoir." —The New York Times This is a story about an accidental activist. Bill Browder started out his adult life as the Wall Street maverick whose instincts led him to Russia just after the breakup of the Soviet Union, where he made his fortune. Along the way he exposed corruption, and when he did, he barely escaped with his life. His Russian lawyer Sergei Magnitsky wasn't so lucky: he ended up in jail, where he was tortured to death. That changed Browder forever. He saw the murderous heart of the Putin regime and has spent the last half decade on a campaign to expose it. Because of that, he became Putin's number one enemy, especially after Browder succeeded in having a law passed in the United States—the Magnitsky Act—that punishes a list of Russians implicated in the lawyer's murder. Putin famously retaliated with a law that bans Americans from adopting Russian orphans. A financial caper, a crime thriller, and a political crusade, Red Notice is the story of one man taking on overpowering odds to change the world, and also the story of how, without intending to, he found meaning in his life.

## You're On Your Own (But I'm Here If You Need Me)

Simon and Schuster

This boxed set includes the first three titles in the Crystal Lake Novel series. *The Thing About Trouble*: Cam Booker learned the hard way that commitment and love aren't for him. Fresh out of a relationship that nearly saw him go to jail, he's focused on building a life and his business. But when he suddenly finds himself responsible for a motherless five-year-old, his world is turned upside down. What does he know about caring for a little girl? On top of that, his newest client, the notorious widow Banes is definitely the kind of trouble he doesn't need. *That Thing You Do*: All her life, tomboy Molly Malone, has been one of the guys. When her brother decides to get married it means the gang will reunite, but more importantly it means Nate Jacobs will finally come home. With the impending nuptials looming fast and a family that can barely put together a grocery list, Molly will be tested like never before. To make matters worse, one look from Nate confirms he's still her kryptonite and that her teenage crush is now something more. He's only ever thought of her as 'one of the boys' and to protect her heart, she's determined to keep it that way. *A Little Bit of Christmas*: For ex-con, Cash Bodine, surprising his sister at Christmas just got complicated. His plan to blow into Crystal Lake and then leave is squashed when a winter storm settles in,

stranding him at a motel outside of town. He has no choice but to hunker down and make the best of it, and while the woman next door intrigues him, he has no desire to get tangled up in her life. He's not sticking around past the holidays, so why bother?

Grace Juliana Stone Publishing

The polarizing literary debut by Scottish author Ian Banks, *The Wasp Factory* is the bizarre, imaginative, disturbing, and darkly comic look into the mind of a child psychopath. Meet Frank Cauldhame. Just sixteen, and unconventional to say the least: Two years after I killed Blyth I murdered my young brother Paul, for quite different and more fundamental reasons than I'd disposed of Blyth, and then a year after that I did for my young cousin Esmerelda, more or less on a whim. That's my score to date. Three. I haven't killed anybody for years, and don't intend to ever again. It was just a stage I was going through.

Jack Simon and Schuster

The Garner Files Juliana Stone Publishing

When Operation Surgical Strike, a police sting designed to catch Colombian drug traffickers in the act of selling a large consignment of cocaine to undercover police officers, goes horribly wrong, suspicion quickly falls on one of the police officers involved: "Stegs" Jenner. Stegs is no ordinary cop. Something of a maverick, he has in the past played the role of a criminal just a little too well. Now suspended from duty, and with his close friend killed in the shoot-out, he determines to go at it alone. DI John Gallan and his partner Tina Boyd are part of the subsequent investigation that will take them to the heart of one of London's most notorious criminal gangs. What they cannot know is that they've also embarked on a journey that will lead one of them straight into the rifle sights of the enemy.

Missed Meal Mayhem Minotaur Books

The Hollywood veteran traces the story of his life and career, from his abuse-marked, Depression-era childhood and his military service to his favorite behind-the-scenes memories and his relationships with numerous celebrities.

Petals on the Wind Simon and Schuster

In this revelatory, authoritative portrait of Donald J. Trump and

the toxic family that made him, Mary L. Trump, a trained clinical psychologist and Donald's only niece, shines a bright light on the dark history of their family in order to explain how her uncle became the man who now threatens the world's health, economic security, and social fabric. Mary Trump spent much of her childhood in her grandparents' large, imposing house in the heart of Queens, New York, where Donald and his four siblings grew up. She describes a nightmare of traumas, destructive relationships, and a tragic combination of neglect and abuse. She explains how specific events and general family patterns created the damaged man who currently occupies the Oval Office, including the strange and harmful relationship between Fred Trump and his two oldest sons, Fred Jr. and Donald. A firsthand witness to countless holiday meals and interactions, Mary brings an incisive wit and unexpected humor to sometimes grim, often confounding family events. She recounts in unsparing detail everything from her uncle Donald's place in the family spotlight and Ivana's penchant for regifting to her grandmother's frequent injuries and illnesses and the appalling way Donald, Fred Trump's favorite son, dismissed and derided him when he began to succumb to Alzheimer's. Numerous pundits, armchair psychologists, and journalists have sought to parse Donald J. Trump's lethal flaws. Mary L. Trump has the education, insight, and intimate familiarity needed to reveal what makes Donald, and the rest of her clan, tick. She alone can recount this fascinating, unnerving saga, not just because of her insider's perspective but also because she is the only Trump willing to tell the truth about one of the world's most powerful and dysfunctional families.

The Wasp Factory Simon and Schuster

New York Times bestselling author Rainbow Rowell's epic fantasy, the Simon Snow trilogy, concludes with Any Way

---

the Wind Blows. In Carry On, Simon Snow and his friends realized that everything they thought they understood about the world might be wrong. And in Wayward Son, they wondered whether everything they understood about themselves might be wrong. In Any Way the Wind Blows, Simon and Baz and Penelope and Agatha have to decide how to move forward. For Simon, that means deciding whether he still wants to be part of the World of Mages — and if he doesn't, what does that mean for his relationship with Baz? Meanwhile Baz is bouncing between two family crises and not finding any time to talk to anyone about his newfound vampire knowledge. Penelope would love to help, but she's smuggled an American Normal into London, and now she isn't sure what to do with him. And Agatha? Well, Agatha Wellbelove has had enough. Any Way the Wind Blows takes the gang back to England, back to Watford, and back to their families for their longest and most emotionally wrenching adventure yet. This book is a finale. It tells secrets and answers questions and lays ghosts to rest. Carry On was conceived as a book about Chosen One stories; Any Way the Wind Blows is an ending about endings. About catharsis and closure, and how we choose to move on from the traumas and triumphs that try to define us.

Guerrilla Warfare Juliana Stone Publishing

The first three books in USA Today Bestselling series, The Family Simon by Juliana Stone! Share the love, laughter and tears and the occasional guest appearance by those crazy Barker girls! TUCKER:

When all hope is gone, can love still find a

way? Tucker Simon has given up on love. After a tragedy, it's just not in the cards for him, and he wishes his family would get off his back. He's fine--or at least he thought he was – until a family wedding forces him to address a few things, namely his date, Abby Mathews. She's been put in the 'friend' category, mostly because she deserves so much more than what he can give. But the more time that he spends with her, Tucker begins to think that maybe there is a chance for love after all... Abby Mathews has been in love with Tucker Simon since he walked into her family's bar nearly a year ago. But he's got baggage and heartache a plenty. His one-night-stands aren't going to lessen that no matter what he thinks.

---

Tucker needs a friend, but Abby wants to give him more, and as they navigate their way through a weekend in Florida, their attraction can't be ignored. Abby has to make a choice. Does she cherish their friendship and take what she can get? Or does she go after what she really wants, which is Tucker's heart...**JACK:** One night with the wrong woman can change your life....Jack Simon's road to the White House has been a smooth one until a night with the notorious Donovan Jams becomes a roadblock he can't escape. Suddenly he's America's number one story and it has nothing to do with politics. Jack's tangled with this woman before and knows they're no good together. The only thing they are good for is a four letter word...hurt. He should get on with his life and concentrate on his job. But that's hard to do when the one thing standing in his way, is the one thing he wants the most...Donovan James, international singing sensation, has made her living singing songs about heartache and pain, two things she grew up on. But it's time to set down some roots and the only man she wants is a man she's all wrong for. A man she's never stopped loving--Jack Simon. They'd had it all once, until they didn't. And yet she can't help but wonder if a second shot together just might be the game changer she needs. Or if old secrets can still ruin the only man she's ever loved...**MAVERICK:** The woman he never saw coming is the woman who rocked his

world...Maverick Simon lost his mojo somewhere between the last film he scored and a nasty break-up with one of Hollywood's elite. Burnt out, a vacation is just what this California boy needs. His brother's empty house in Maine offers the perfect sanctuary. But plans go awry when he meets a woman who rocks his world in more ways than one. She's not his usual type--she's edgy, opinionated, and downright rude. But something about the prickly Charlie Samuels sparks his interest. Maverick must decide if that something is exactly what he needs, or if the smokin' hot chemistry they share is nothing more than a vacation fling...Charlie Samuels had always dreamed of leaving her small New England town for something bigger. But that dream disappeared the day her father died, leaving her to raise her younger brother and keep the family business afloat. Now a mechanic, she's knee deep in grease and oil, and with a pile of bills to pay, has no time for someone like Maverick Simon--a guy who's just passing through. She can't deny the tall, brooding, sexy-as-sin, Maverick, causes her pulse to race, but she knows that he's way out of her league....

Book of All Time (2021) A Los Angeles Times Book Prize Winner for Young Adult Literature Longlisted for the National Book Award for Young People's Literature Winner of the Walter Dean Myers Award An Edgar Award Winner for Best Young Adult Fiction Parents' Choice Gold Award Winner An Entertainment Weekly Best YA Book of 2017 A Vulture Best YA Book of 2017 A Buzzfeed Best YA Book of 2017 An ode to Put the Damn Guns Down, this is New York Times bestselling author Jason Reynolds's electrifying novel that takes place in sixty potent seconds—the time it takes a kid to decide whether or not he's going to murder the guy who killed his brother. A cannon. A strap. A piece. A biscuit. A burner. A heater. A chopper. A gat. A hammer A tool for RULE Or, you can call it a gun. That's what fifteen-year-old Will has shoved in the back waistband of his jeans. See, his brother Shawn was just murdered. And Will knows the rules. No crying. No snitching. Revenge. That's where Will's now heading, with that gun shoved in the back waistband of his jeans, the gun that was his brother's gun. He gets on the elevator, seventh floor, stoked. He knows who he's after. Or does he? As the elevator stops on the sixth floor, on comes Buck. Buck, Will finds out, is who gave Shawn the gun before Will took the gun. Buck tells Will to check that the gun is even loaded. And that's when Will sees that one bullet is missing. And the only one who could have fired Shawn's gun was Shawn. Huh. Will didn't know that Shawn had ever actually USED his gun. Bigger huh. BUCK IS DEAD. But Buck's in the elevator? Just as Will's trying to think this through, the door to the next floor opens. A teenage girl gets on, waves away the smoke from Dead Buck's cigarette. Will doesn't know her, but she knew him. Knew. When they were eight. And stray bullets had cut through the playground, and Will had tried to cover her, but she was hit anyway, and so what she wants to know, on that fifth floor elevator stop, is,

what if Will, Will with the gun shoved in the back waistband of his jeans, MISSES. And so it goes, the whole long way down, as the elevator stops on each floor, and at each stop someone connected to his brother gets on to give Will a piece to a bigger story than the one he thinks he knows. A story that might never know an END...if Will gets off that elevator. Told in short, fierce staccato narrative verse, Long Way Down is a fast and furious, dazzlingly brilliant look at teenage gun violence, as could only be told by Jason Reynolds.
